

**Executive Summary
Administrative Code 96A.3
2018 Quarter 1 Report**

Prepared by San Francisco Police Department Crime Analysis Unit
April 2018

Data Sources: San Francisco Police Department's Crime Data Warehouse, accessed via Business Intelligence Tools; San Francisco Police Department's eStops Database, accessed via Business Intelligence Tools; San Francisco Police Department Early Intervention Systems Administrative Investigative Management Database; San Francisco Police Department Airport Bureau, San Francisco Police Department Human Resources; San Francisco Police Department Internal Affairs/Equal Employment Opportunity Division; San Francisco Department of Emergency Management; San Francisco Department of Police Accountability

**THE SAN FRANCISCO POLICE DEPARTMENT
ADMINISTRATIVE CODE CHAPTER 96A.3 REPORT
1st Quarter: January 1, 2018 to March 31, 2018**

EXECUTIVE SUMMARY

As part of the ongoing conversation on police reform, including accountability and transparency in law enforcement, accurate data collection and reporting has taken center stage. In the forefront is whether specific identifying characteristics (i.e., race/ethnicity, gender, or age) play a role in the outcome of encounters between law enforcement officers and members of the public, especially as it relates to the level of force used, the rate of arrest, and/or the propensity to search an individual.

In order to evaluate the effectiveness of the reforms undertaken by the San Francisco Police Department (the Department), and more importantly, to ensure procedural justice is evenly applied throughout all neighborhoods within our city, the Department is dedicating resources to re-evaluate the data collection process in place for collecting data as required by legislation, (California AB 953 and San Francisco Administrative Code 96A). It is important to the Department that the information collected is properly reported; therefore, these reports will continue to evolve as the technology is streamlined in our efforts to provide clear and concise data.

The Department has continued its efforts to rebuild the community's trust in a variety of ways, including training all sworn members in fair and impartial policing strategies, focusing on procedural justice and implicit bias. Coupled with the updated training in use of force principles that emphasize proportionality and the Crisis Intervention Team (CIT) philosophy, officers are being equipped with the tools and knowledge needed to assess and de-escalate situations with the goal of preserving life.

Detailed reports are generated and forwarded to the Chief of Police, Assistant Chiefs, and Deputy Chiefs for review. Commanders review the reports with district captains as a means to monitor and identify concerns immediately. As required under Administrative Code 96A.3, Law Enforcement Reporting Requirements, the Department is submitting this report for the first quarter of 2018 (Jan, Feb, Mar). This report contains information relating to Encounters, Arrests, Uses of Force, and Complaints, including the following information:

Sec. 96A.3.

- (a) For Encounters:
 - (1) The total number;
 - (2) The total number broken down by race or ethnicity, age, and sex;
 - (3) The total number of searches performed broken down by race or ethnicity, age, and sex;
 - (4) The total number of each type of search performed;
 - (5) For each type of search performed, the total number broken down by race or ethnicity, age, and sex;
 - (6) The total number of each type of disposition, and the total number for each disposition broken down by race or ethnicity, age, and sex; and
 - (7) The data for Encounters required to be reported by this subsection (a) shall be reported separately for Detentions and Traffic Stops;
- (b) Use of Force:
 - (1) The total number of Uses of Force;
 - (2) The total number of Uses of Force that resulted in death to the person on whom an Officer used force; and
 - (3) The total number of Uses of Force broken down by race or ethnicity, age, and sex.
- (c) Arrests:
 - (1) The total number; and
 - (2) The total number broken down by race or ethnicity, age, and sex;
- (d) Reason for Encounters.
- (f) Department of Police Accountability data on alleged bias related complaints.

This quarterly report will be available to the public on the Department’s website as part of an ongoing commitment to transparency. Once the process is fully automated, the datasets used to generate the reports will be published alongside the report to provide the information in a searchable format.

SEC. 96A.3 (a) - ENCOUNTERS

On January 3, 2017, the Department implemented a new contact data collection program, eStop, to be used by officers to record relevant information gathered during encounters, whether self-initiated or dispatched. The eStop application used to collect the data during an encounter is available via Department-issued mobile devices.

Definitions:

Encounter: The definition for encounter per Chapter 96A specifically states, “A detention or traffic stop where the officer initiates activity based solely on the officer’s own observations or the observations and direction of another officer, rather than on information provided by dispatch or reported by a member of the public, i.e., self-initiated stops.”

The Department collects data for **all** encounters; both self-initiated and dispatched. This information is reported separately in order to meet the requirements of Chapter 96A. This Executive Summary only contains information on ‘self-initiated’ encounters and traffic stops

conducted by officers as required by Chapter 96A. For the entire report including ‘dispatched’ encounters and traffic stops, please refer to the attached report.

Detention: An interaction between an officer(s) and an individual(s) in which the officer(s) detains the individual(s).

Traffic Stop: An interaction between an officer(s) and an individual(s) driving a vehicle, in which the officer conducts a stop of the vehicle. When enforcing traffic laws during a traffic stop, the Department uses the definition of a vehicle to include motor vehicles and bicycles. Information on passengers of vehicles who are detained during a traffic stop is included under this section.

SEC. 96A.3 (b) - USE OF FORCE

The Department continues to focus on training its officers on the importance of the proportionality of the use of force (using only that force which is reasonable to perform one’s duties), as well as effective communication and de-escalation techniques with an emphasis on safeguarding the sanctity of life, dignity, and liberty of all persons.

The Department has expanded its commitment to the Crisis Intervention Team (CIT) concept, and as of April 11, 2018 has trained 828 sworn and 16 non-sworn personnel, as well as 7 clinicians from the Department of Public Health in the updated training curriculum. Included in this number are probationary and veteran officers, as well as members of the command staff. As the CIT program moves forward, the goal of the Department is to provide this 40-hour training to all members. The program focuses on a team response concept throughout all districts and instills the importance of the guardian mentality during public contacts.

Following the creation and implementation in January 2017 of Department General Order 5.21, the Crisis Intervention Team Response to Person in Crisis Calls for Service, the Department continues to work in close partnership with City agencies and community stakeholders in the development of the CIT training program, including the National Alliance on Mental Illness (NAMI), The Mayor’s Office on Disability Counsel, San Francisco Mental Health Association, the Homeless Coalition, District Attorney’s Witness and Victim Program, and the San Francisco Public Defender’s Office among other advocates and associations. The CIT policy can be viewed on our website at <http://sanfranciscopolice.org/dgo>.

In addition, in February 2017, officers began training in the CIT/Threat Assessment/De-escalation/Field Tactics and Use of Force classes, two 10-hour courses which trains officers on the elements contained in the updated Department General Order, 5.01, Use of Force. Currently 1,401 officers and nine civilians have participated in the CIT/Threat Assessment/De-escalation/Field Tactics and 1056 in the Use of Force course with the goal of training all members by the end of the year. In an effort to ensure a strong partnership with the Department of Public Health, we have trained the Crisis Intervention Specialists (Clinical Psychologists) who work with the Department.

The Department and the Department of Public Health (DPH) entered into an agreement to provide support to officers in the field who are responding to crises in which behavioral health concerns may be present. The DPH Behavioral Crisis Intervention Specialist Team was

established as a result of an initiative from the Mayor's office. This collaboration coordinates the efforts, logistics, and protocols of deployment of the specialists to provide on-scene support during crisis situations.

DPH clinicians have responded to at least six incidents involving a person in a behavioral crisis resulting in a critical incident deployment and 29 times in field home visits. A program has been initiated with DPH clinicians and CIT Unit officers walking the mid-Market Street area, UN Plaza, and Union Square areas twice a week connecting the homeless population to services and treatment. The Department also continues to focus on the high-end users of psychological and medical services to reduce recidivism. The Department has also created a monthly multi-disciplinary forensic public safety meeting where the CIT Coordinator presents cases to DPH on persons who pose a safety threat to themselves and/or the community.

Policy:

The use of force by members is regulated through policies established according to local, state, and federal mandates. Department General Order 5.01, Use of Force, was approved by the Police Commission on December 21, 2016. The complete policy is available on our website at <http://sanfranciscopolice.org/dgo>.

Circumstances where use of force may be necessary:

The use of force must be for a lawful purpose. Officers may only use reasonable force options in the performance of their duties in the following circumstances:

- To effect a lawful arrest, detention, or search.
- To overcome resistance or to prevent escape.
- To prevent the commission of a public offense.
- In defense of others or in self-defense.
- To gain compliance with a lawful order.
- To prevent a person from injuring himself/herself. However, an officer is prohibited from using lethal force against a person who presents only a danger to himself/herself and does not pose an immediate threat of death or serious bodily injury to another person or officer.

Levels of Force:

Officers shall strive to use the minimum amount of force necessary to accomplish their lawful purpose.

- A. *Low Level Force.*** The level of control necessary to interact with a subject who is or displaying passive or active resistance. This level of force is not intended to and has a low probability of causing injury.
- B. *Intermediate Force.*** This level of force poses a foreseeable risk of significant injury or harm, but is neither likely nor intended to cause death. Intermediate force will typically only be acceptable when officers are confronted with active resistance and a threat to the safety of officers or others. Case law decisions have specifically identified and established that certain force options such as OC spray, impact projectiles, K-9 bites, and baton strikes are classified as intermediate force likely to result in significant injury.

C. Deadly Force. Any use of force substantially likely to cause serious bodily injury or death, including but not limited to the discharge of a firearm, the use of an impact weapon under some circumstances, other techniques or equipment, and certain interventions to stop a subject's vehicle, such as vehicle deflections.

Force Options:

The force options authorized by the Department are physical controls, personal body weapons, chemical agents, impact weapons, extended range impact weapons, vehicle interventions, K-9 bites and firearms. These are the force options available to officers, but officers are not required to use these force options based on a continuum. While deploying a particular force option and when feasible, officers shall continually evaluate whether the force option may be discontinued while still achieving the arrest or lawful objective.

The following tools and techniques are not in a particular order nor are they all inclusive.

- Verbal Commands/Instructions/Command Presence
- Control Holds/Takedowns
- Impact Weapons
- Chemical Agents (Pepper Spray, OC, etc.)
- K-9 (Dog) Bite
- Vehicle Intervention (Deflection)
- Personal Body Weapons.
- Firearms
- Impact Projectile

Documenting the Use of Force:

Members are required by policy to immediately notify supervisors following a use of force incident, which is then documented and immediately evaluated by the supervisor. Use of force reporting and evaluation forms have been redesigned to include all the elements and data fields required by state and local legislation. These forms must be submitted by the end of watch following a use of force incident.

Staff assigned to the Risk Management Office (RMO) are responsible for tracking and maintaining all data relating to use of force incidents. They continue to review data by district stations and specialized units. RMO, which includes the Internal Affairs Division and the Early Intervention System Unit (EIS), collects and analyzes the use of force data, i.e., under what circumstance it was used, type/level of force, and subject/ officer demographics which is available on our website at: <http://sanfranciscopolice.org/early-intervention-system>

At the Chief's direction, the staff inspections unit has been developed which will expand on existing processes to audit performance, and other metrics.

The Department is currently working with a research/academic institution to perform in-depth analysis of our stop and use of force data.

2018 FIRST QUARTER DATA SUMMARY AT A GLANCE;

- Calls for Service: 169,739
- Calls resulting in Use of Force: 331 (0.20%)
- Suspects Observed and Reported to SFPD (CDW): 8,116
- Total Encounters: 39,911
 - Total Detentions: 14,528
 - Total Traffic Stops: 25,383
- Total Uses of Force: 811
- 430 officers used force on 400 subjects resulting in a total of 811 uses of force
- Total Arrests: 5,331
- Total Searches: 8,921 (22% of Total Encounters)
- Department of Police Accountability bias related complaints received: 3

TOTAL CALLS FOR SERVICE (January 1 – March 31, 2018):

Calls for Service January 1 - March 31, 2018				
	January	February	March	Total - Q1
Calls for Service	59,448	52,967	57,324	169,739

SEC. 96A.3 (a) (1) TOTAL ENCOUNTERS (Detentions and Traffic Stops)

TOTAL ENCOUNTERS January 1 - March 31, 2018					
39,911 Total Encounters					
Encounters Description	JAN	FEB	MAR	Total	% of Total Encounters
Detentions - Self-Initiated Activity	2,720	2,192	2,444	7,356	18.4%
Detentions - Dispatched Call	2,433	2,103	2,636	7,172	18.0%

DESCRIPTION OF SUSPECTS OBSERVED AND REPORTED TO POLICE;

The following table represents suspect descriptions provided by members of the public when requesting police assistance via the Department of Emergency (DEM) dispatch. It also includes information/descriptions provided by victims and/or witnesses directly to officers during a call for service, as well as suspect information directly observed by officers who witness a crime in progress. This information is gathered during the call directly from the reporting party, entered by the dispatcher, and relayed to responding officers who document this information in an incident report (CDW).

SUSPECTS by Race/Ethnicity					8,116 Suspects	
January 1 to March 31, 2018						
DESCRIPTION	JANUARY	FEBRUARY	MARCH	Total - Q1	% of Total Suspects	
Asian or Pacific Islander	121	127	141	389	4.8%

SEC. 96A.3 (b) (2) USE OF FORCE RESULTING IN DEATH TO THE PERSON ON WHOM AN OFFICER USED FORCE;

Incident: Officer Involved Shooting resulting in death

Case #	Subject Name	Race/Sex	Date	Time	Location
180-175-220	Delgado-Duarte, Jesus	HM	03/06/2018	22:36	21 st Street/ Capp Street
Original Call:			Officers using force		Total # of Uses of Force
Robbery (211)			14		39

Summary of Incident: Officers observed an incident involving a person with a gun which ended up being a robbery. They observed the subject climb into the trunk of a vehicle and conducted a traffic stop. Officers instructed the subject to exit the trunk. The subject opened fire on the officers. Officers returned fire mortally wounding the subject.

Incident: Officer Involved Shooting resulting in death

Case #	Subject Name	Race/Sex	Date	Time	Location
180-213-080	Eid, Jehad	OM	03/21/2018	16:36	949 Geneva Ave
Original Call:			Officers using force		Total # of Uses of Force
Shooting (217)			10		10

Summary of Incident: Officers responded to a report of a disturbance. The investigation led the officers to a barber shop. Two officers attempted to detain a subject inside the barber shop. The suspect began to shoot at the officers when they entered the premises, hitting one of the officers in the lower right leg. The officers returned fire, mortally striking the suspect.

Although not a requirement of Chapter 96A, the following officer involved shooting, which did not result in the death of a subject, was included in the interest of transparency.

Incident: Officer Involved Shooting not resulting in death

Case #	Subject Name	Race/Sex	Date	Time	Location
180127629	Armstrong, Joel	WM	02/17/2018	00:21	De Haro/Alameda St
Original Call:			Officers using force		Total # of Uses of Force
Homicide (187)			17		56

Summary of Incident: Uniformed Patrol officers observed a parked and unoccupied homicide suspect vehicle. The officers observed an occupied RV parked in front of the wanted car; the homicide suspect was inside the RV. Occupants were removed from the RV, however the homicide suspect opened fire from inside the RV. Officers returned fire. The suspect was not hit and barricaded himself. Following a standoff, the suspect surrendered without further incident.

SEC. 96A.3 (b) (3) USES OF FORCE BY RACE/ETHNICITY and GENDER OF SUBJECT

In the First Quarter of 2018, 32 percent of the total uses of force were against Black Male subjects, 23 percent of the total uses of force were against White Males, and 20 percent of the total uses of force were against Hispanic Males.

Race & Gender	Pointing of Firearms	Physical Control	Strike by Object/Fist	OC (Pepper Spray)	Impact Weapon	ERW	Vehicle Deflection	Firearm	Spike Strips	Total Uses of Force	%

Total	444	430	-3%	802	811	1%	2114	2310	9%

Race/Ethnicity and Gender of Subject upon whom Force was used.

The number of subjects upon whom force was used is less than the total number of force reported as officers may use more than one type of force on a subject. Example; An officer may first point a firearm at a subject believed to be armed. Once the subject drops the weapon, the officer may then have to resort to physical force to effect the arrest of the subject.

Race & Gender	Number of Subjects			Total Uses of Force		
	Q1 2017	Q1 2018	% change	Q1 2017	Q1 2018	% change
Asian Female	3	0	-100%	4	0	-100%

Uses of Force by Reason, First Quarter 2018

Force is used most often to effect a lawful arrest.

Reason for Use of Force	Q1 2017	Q1 2018	% Change
To effect a lawful arrest, detention, or search, or to prevent escape	589	761	29.2%
To gain compliance with a lawful order	170	13	-92.4%
In defense of others or in self-defense	23	26	13.0%
To prevent a person from injuring himself/herself, when the person also poses an imminent danger of death or serious bodily injury to another person or officer	17	11	-35.3%
To prevent the commission of a public offense	3	0	-100.0%
Total	802	811	1.1%

SEC. 96A.3(c) (1) TOTAL ARRESTS – First Quarter Comparison 2017 v 2018

It is important to note that arrests made by SFPD members at San Francisco International Airport are investigated by, and reported as part of San Mateo County data, and are therefore not included in the City totals. Airport Arrest Data is provided on page 40 of this summary and pages 196 through 197 of the attached report.

Arrests made outside San Francisco are a result of comprehensive investigations of crimes originating in San Francisco. For a detailed listing of locations see page 203 of the attached report.

SEC. 96A.3 (f) – DEPARTMENT OF POLICE ACCOUNTABILITY (DPA)

The Department is required to obtain information from the Department of Police Accountability (DPA), formerly the Office of Citizens Complaints, relating to the total number of complaints received during the reporting period that it characterizes as allegations of bias based on race or ethnicity, gender, or gender identity. The Department also is required to include in its report the total number of complaints DPA closed during the reporting period that were characterized as allegations of bias based on race or ethnicity, gender, or gender identity, as well as the total number of each type of disposition for such complaints. These closed cases may include complaints made in previous quarters.

Allegations of Bias based on race or ethnicity, gender, or Gender Identity received and closed by the Department of Police Accountability (formerly the Office of Citizen Complaints).
