January 01, 2024

Hello Community Members and Merchants,

Recently we have experienced a resurgence of burglaries through garage doors. This is where the suspect would drill a hole through the garage door and pull the safety release mechanism with a hanger. Also, be aware if your garage door has a window. Thieves would break the window and access the safety release mechanism with a hanger that way. If you park your vehicle outside your home, make sure you take the garage door opener remote out of your car. See page 5-7 for more safety information.

San Francisco Police Shoplifting “Blitz” Operation Results in Multiple Arrests 23-157

DECEMBER 21, 2023 | 7:37 PM

To help reduce retail thefts and to hold those committing these crimes accountable, the San Francisco Police Department Burglary Unit (Fencing & Organized Retail Crime investigators) and Field Operations Bureau, pre-planned a shoplifting enforcement operation. A retail store located on the 700 block of Mission Street and the 200 block of Winston Drive was chosen for the operation due to the high number of shoplifting incidents the businesses were experiencing.

On Tuesday, December 12, 2023, the operation was successful in arresting a total of 18 suspects listed below. Two were booked at San Francisco County Jail #1 for outstanding warrants and the on-view theft charges. One suspect was booked at San Francisco County Jail #1 for on-view felony theft charges. Twelve suspects were cited for shoplifting and released from the scene. The stolen property was seized by officers during the operation and returned to the store. PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

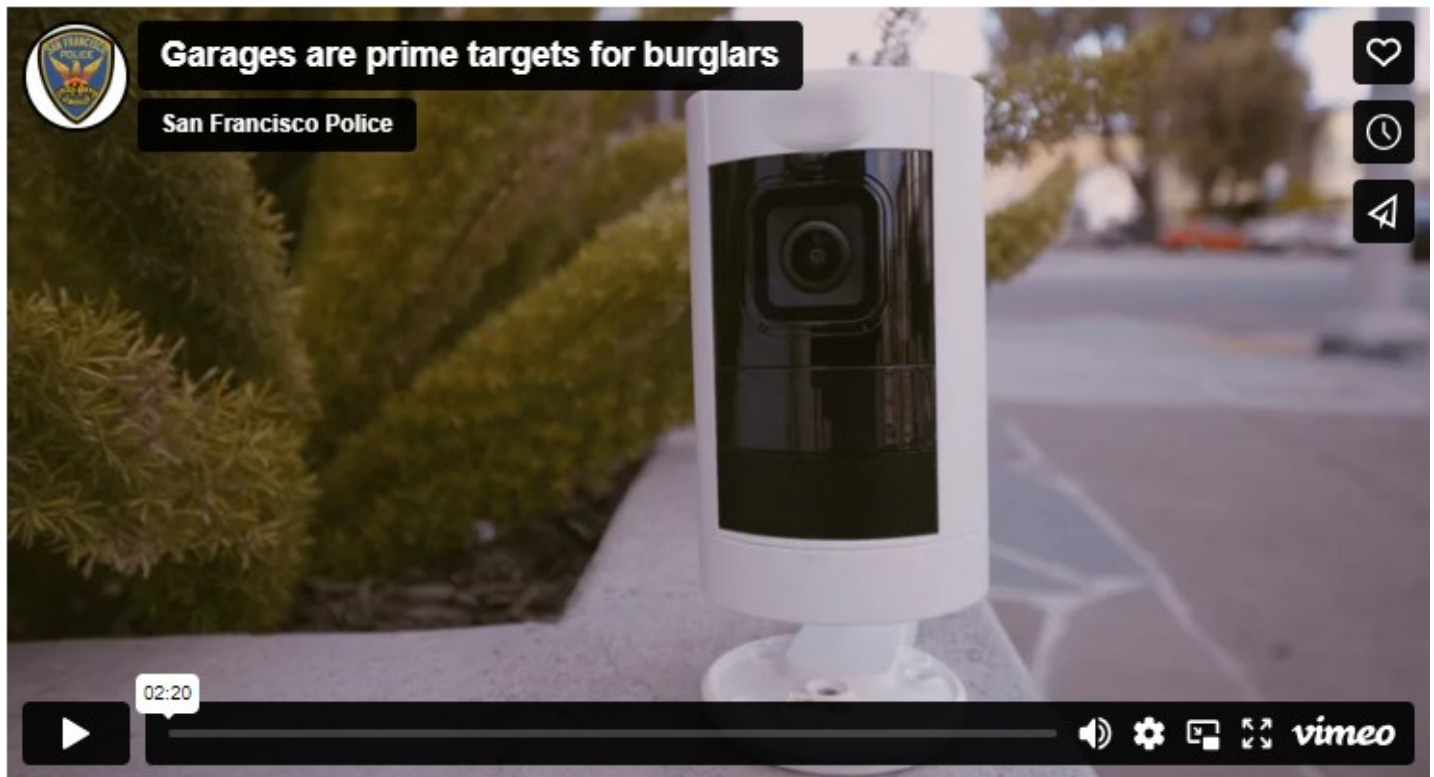

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
 - Remove garage door opener from your vehicle if parked outside your garage
 - Lock the door from your garage leading inside your home
 - “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

Community Surveys

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.
