Hello all,

Well 4/20 has come and gone. I would like to say thank you to all the city agencies, who planned this event and worked with us in executing a well devised plan. Park and Rec did an outstanding job regarding the event itself, SFMTA did a great job on transportation and SFPD maintained law and order. I think part of the success with the plan was the press conference that Supervisor Breed had on the Wednesday before the event where she publicized all the rules and regulations associated with the event. I think we and all the other agencies did a great job in getting the information out regarding road closures, public transit rerouting and how best to get to and from the event. I hope the residents found the hot line a useful tool.

Thank you to all resident for your patience and tolerance. I would like to say that the event attendees, of which there were tens of thousands were respectful of the laws and kept their public use of marijuana to within the event. We here at SFPD appreciated this.

I wish you all a safe week ahead.

## 4/20 - DAY IN THE PARK

Friday, April 20<sup>th</sup> came and went, billowing, and later dissipating, through Golden Gate Park like an enormous plume of smoke. Once again, the illustrious date beckoned thousands to San Francisco to participate in the “4/20” experience, which culminates in Hippiie Hill at 4:20 pm, with a sustained moment of communal pot-smoking. At the conclusion of the event, crowds fan out of the park, into to the Haight/Ashbury area.

It has been well-publicized that California legalized cannabis, for adults 21 and older, on Nov. 8, 2016. Since then, adults 21 and older may lawfully possess up to an ounce of cannabis flowers, 8 grams of pot extracts, as well as give up to an ounce of Cannabis to other adults 21 and older. The legal provision also stipulates that adults 21 and older are allowed to cultivate up to six marijuana plants. In recent years, the 4/20 event has garnered an aura of “taboo” given that it was skirting legality. However, this is the first year since Cannabis was formally recognized, within the scope of state law, as a technically permissible substance within California. However, it should be noted it is illegal for anyone to smoke cannabis in public.

As expected, Robin Williams Meadow and Hippiie Hill were abuzz with throngs of people who came to demonstrate their profound appreciation of cannabis, and the ingestion of this plant in its various forms. This was the second year that “4/20” in San Francisco’s partially permitted cannabis celebration in the park, as orchestrated by local Haight Street Merchant, Alex Aquino, who raised funds for the permits and organized the event. Under the direction of event organizer, Alex Aquino, the entire area of Robin Williams and Hippiie Hill was fully fenced-in. Gated admissions were facilitated by private security which was inside the 4/20 event. SFPD was not inside the designated 4/20 area, but police provided constant enforcement and security support to areas outside the event which were extremely busy and well-trafficked.

**ADMINISTRATIVE PROFESSIONALS' DAY 2018!!**

On Wednesday, April 25, 2018, all the officers and staff at Park Station celebrated Administrative Professionals' Day, by showing our appreciation to Captain Bailey's Clerk, April Cheng. Thanks to Park Station's chef, Officer Ryan Crockett, of the Vicious and Dangerous Dog Unit, who made delicious beef and chicken tacos for all to enjoy, especially April.

If you have a question about anything at Park Station, ask April, she knows the answers or who to contact to find the answer. Most of April's hard work is behind the scenes, and it is extremely important. April keeps the station functioning, she has a wonderful understanding of timelines, and when certain tasks have to be achieved by, for example, handling time sensitive and vital documents for Captain Bailey, completing payroll for the entire station, and everyday documents that need to be completed and sent to Headquarters.

On May 5, 2018, April will be celebrating her 10th year working with San Francisco Police Department, and we would not want it any other way. April Cheng has worked in two divisions- Records for six years, and the last four years at Park Police Station.

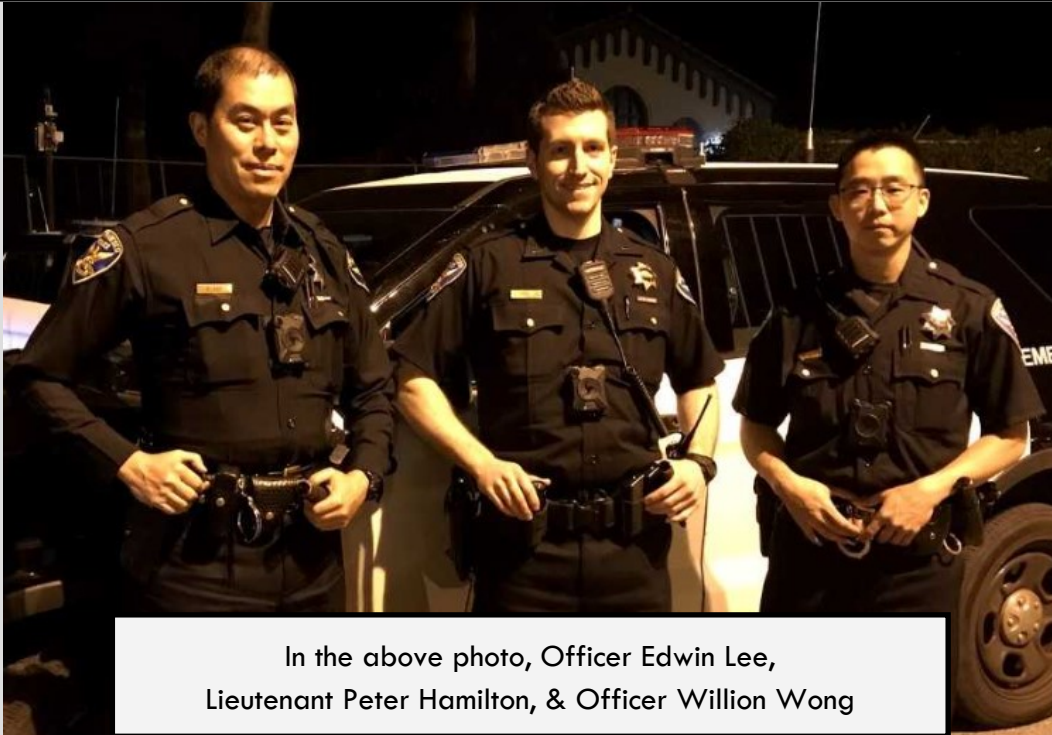

**LIONS CLUBS SERVICE AWARD**

In the above photo,  
Officer Jennifer Granucci and Lieutenant Hamilton.

On Saturday, April 14, 2018, the San Francisco Coordinating Council of Lions Clubs held their 55th Annual Police, Firefighters, and Sheriffs' Award Night, recognizing Peace Officers, Firefighters, and Sheriffs', who protect and serve the community. Officer Jennifer Granucci #371 was honored by the San Francisco Coordinating Council of the Lions Clubs for her outstanding service, and dedication to the community.

Officer Granucci has been a Police Officer with SFPD for 19 years. She is assigned to Park Station as the School Resource Officer. Officer Granucci exhibits professionalism and dedication to duty each and every day. Officer Granucci educates children and parents alike on traffic safety and personal safety. When necessary she enforces the law and has conducted complicated investigations that have resulted in felony arrests, but most importantly, her actions and attention to detail result in children feeling safer in their schools. These children know they have an officer, who listens to them and takes the necessary action to ensure their safety. In a time when children are very aware of the type of violence that has occurred in schools, I think this is a service that cannot be underestimated. I, as captain of Park Station am very happy to see that Officer Granucci received this very deserved award.

**OFFICERS OF THE MONTH FOR APRIL 2018**

In the above photo, Officer Edwin Lee,  
Lieutenant Peter Hamilton, & Officer Willion Wong

Congratulations to Officer Edwin Lee #1128 and Officer Willion Wong #2038!!! This diligent duo are assigned to the midnight watch at Park Police Station, where they address crime, and make excellent arrest.

Officer Lee has been with SFPD for 11 years, and has been at Park Station for 10 years. Officer Lee completed his Field Training at Northern Station, assigned to Richmond Station for his probation period, and was transferred to Park Station for his permanent assignment. Officer Lee has worked 9 of his 10 years on the midnight shift at Park Station, so he can spend time with his children.

Officer Lee was born and raised in San Francisco, where he graduated from S.F.S.U., and worked as a IT/programmer before joining SFPD. When Officer Lee has time, he likes to cycle around the Bay Area.

Officer Wong has been with SFPD for 14 years, and has been at Park Station for 12 years. Officer Wong completed his Field Training at Northern Station, assigned to Richmond Station for his probation period, and was transferred to Park Station for his permanent assignment. Officer Wong has worked the midnight shift for almost his entire career. When Officer Wong is off duty, he takes care of his family, and does whatever his son wants to do.

Once at Park Station, Officer Lee and Officer Wong became partners, and work as a great team!!!

## CITIZEN OF THE MONTH FOR APRIL 2018

In the above photo, Captain Bailey presented a certificate to Rick Johnson for his service to Park Station's CPAB.

**Congratulations to Park Station's Citizen of the Month for April 2018, Rick Johnson!**

After retiring from a career in Human Resources, Rick became active in community service, and quickly found the truth in Abe Lemons' quote that "The trouble with retirement is that you never get a day off". A long-time resident of Midtown Terrace, Rick joined the Midtown Terrace Homeowner's Association seven years ago as a homeowner with a desire to make sure that the district remained quiet and lovely for all residents. Midtown Terrace is a very active community. This neighborhood puts on a large yearly block party, Halloween events, a holiday dinner, Easter egg hunts, a movie night, as well as other neighborhood events.

In June 2016, one of Park Station's CPAB members met Rick at Duboce Park while attending a Park Station community meeting. Rick was asked to consider joining Park Station's CPAB. Rick had a strong appreciation for law enforcement and quickly agreed to join Park Station's CPAB group. Later, Rick explained that his younger brother, and best friend, is currently the Undersheriff of Yuba County; Rick is exceptionally proud of all of his brother's accomplishments in law enforcement, and speaks highly of him any chance that he gets.

Captain Bailey and Park Station would like to thank Rick for all his hard work, and dedication, to the CPAB group, the community, and all the officers at Park Station.

## BIKE, WALK, AND ROLL TO SCHOOL DAY

On Wednesday, April 18, 2018, Officer Wu, Officer Zuckerman, Officer Deignan, and the Captain's Clerk, Miss April, had the opportunity to participate in the Chinese Immersion School's Bike, Roll, and Walk to School Event. In attendance were approximately 30 students, parents, families, teachers, and community members.

The Bike and Walk to School Event is a national movement that first started in 1997. Since then, it's come a long way, even gathering international participation. Events such as these aim to bring together communities to promote: Healthier habits such as regular physical activity, cleaner environments by reducing automobile pollution, and a focus on safety.

**DEFINITION OF SUSPICIOUS ACTIVITY**

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

## DEFINITION OF COMMUNITY POLICING

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Park Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Park Station runs full time beat officers assigned to Haight Street.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Weekly Email Updates: Park Station sends out weekly email newsletter updates to residents in the District that alerts residents to crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

**CRIME NOTES***Definitions*

**PARK STATION—ARREST****Arrests:****Trespassing—1700 block of 7<sup>TH</sup> Ave.—04/18/2018 8:46 am**

Officers responded to the area regarding a trespasser. Officers made contact with the subject who had been advised of trespassing from prior contacts. She began walking away from the officers and complied when asked to stop. Officers placed the subject under arrest for her continuing offense, and she was transported to County Jail for trespassing.

**Park Code Violation/Warrant Arrest—Area of Oak St. /Lyon St.—04/19/2018 3:59 am**

On the above date and time an officer observed a hammock located in the above area hung between two trees with a person inside of it. The officer approached two subjects and informed them that they were in violation of sleeping in the park. One of the subjects was cited and released without further incident. It was discovered that the other subject had two outstanding warrants for dangerous drug possession. He was transported to Park Station where he was booked for the listed warrants.

**State Code Misdemeanor—Area of Cole St. /Haight St.—04/19/2018 12:22 pm**

Officers responded to the area regarding issues residents were having with transients in the area. Officers observed a subject in the area in violation of possessing a branded milk crate. Officers issued the subject a citation and he was released at the scene.

**Methamphetamine Offense/Marijuana Offense—Area of Haight St.—04/20/2018 7:45 pm**

Officers in plainclothes driving a police vehicle observed two males and one female huddled together. Officers detained the three subjects who were taking part in a possible narcotics transaction. It was discovered that one of the subjects might have had an outstanding warrant. He was later released from the scene. Officers seized two clear plastic bags of suspected marijuana, and a plastic bag of suspected methamphetamine. All evidence was booked at Park Station.

**Civil Sidewalks Citation/Municipal Police Code —1400 block of Haight St—04/23/2018 7:11 am**

Officers on patrol in the area observed two subjects known from prior contacts laying in a sleeping. Officers conducted a welfare check on the subjects and informed them that they were in violation of the Civil Sidewalk Ordinance and in violation of trespassing due to lying in front of a visible “No Trespassing” sign. Both subjects were cited for their violations.

**PARK STATION— GREAT ARREST!**

On 4/18/18 at 0104 hours, thanks to an observant citizen, who called 9-1-1, Officer Cummings and Officer Gallagher were dispatched to the area of Turk Boulevard and Lyon Street regarding an unknown male subject that had broken into a black Jeep Wrangler on the north side of Turk Blvd.

Upon arrival, the officers observed that the rear driver side door of the vehicle was open into the street and a person was kneeling on the back seat and appeared to be looking into the rear section of the vehicle. The suspect had their back to the open door as the officers approached. As the suspect stepped out of the vehicle, the officers detained him.

A computer query on the suspect showed he was on active probation for vehicle theft; the suspect was arrested on 5/25/17, and was placed on 3 years felony probation. As a part of his probation, the suspect has a search condition. The computer query also revealed that the suspect had a warrant for his arrest for failing to appear in court for a vehicle theft charge with a bail of \$10,000.00.

During a search of the suspect and his property, the officers located several spark plugs and suspected methamphetamine.

Officers observed that the rear passenger window of the Jeep Wrangler was smashed and appeared to be the point of entry into the vehicle. The victim arrived on scene and identified himself as the owner of the Jeep. The victim stated that he parked his Jeep at approximately 1800 hours on 4/17/18, and that the rear passenger window was not damaged at that time.

Career criminals use the ceramic section of a spark plug to easily and quickly break a vehicle's window and gain access to the property inside the vehicle. With the broken spark plug in the suspect's pants pocket, his past criminal history of breaking into cars, and the damaged to the Jeep's window, the suspect used the spark plug as a burglary tool to break into the Jeep.

With the approval of Sergeant Bucy, the suspect was placed under arrest, and transported to Park Station. Officer Cummings called the suspect's probation officer and informed him of the incident. The suspect was booked on numerous charges including a probation violation.

**CAPTAIN BAILEY'S TIP OF THE WEEK TO PREVENT OR SOLVE CRIME**

I want to take this time to remind everyone to record the serial numbers of all your valuables i.e. bikes, tools etc. You can do this by simply taking a photo of the item and then zoom in to take a photo of the serial number. Most people have smart phones and you can easily use your phone camera to achieve this. This is really great information for you to have in the event you are a victim of a theft. We can post the photos on flyers and record the serial numbers of your possessions so that in the event we make an arrest of an individual with stolen items your items will be easily recognizable. Officers can also identify them easily if they are being sold at any location. Bottom line having this information increases your chances of being reunited with your stolen items. It also increases the chances of these thieves being held accountable for their crimes.

Please take the time, and review the SF SAFE form on the next page (page 3) for helpful residential safety tips.

Please everyone take good care and be safe.

Captain Una Bailey

LOCATION OF SERIAL NUMBER ON AFFECTED BICYCLES

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

**SAFETY TIP FROM S.F. SAFE**

**Safety tip for your home:**

**Help first responders by making sure your address numbers are mounted on a high-contrast background, and that they're illuminated when it's dark.**

**HELPFUL TIPS****DON'T BE CAUGHT EMPTY-HANDED!!!!**

1. When placing an online or phone order, **request signed confirmation upon delivery**
2. Deliver packages to your office if at all possible; if not, deliver to a neighbor who will be home to sign for your package
3. If ordering from Amazon, use a self-service Amazon locker located throughout San Francisco; they will send you a notification email when the package is received. Go to Amazon.com and search for "Amazon Locker"
4. For U.S. Postal Service deliveries, you can authorize USPS to have certain deliveries left in a garage, with your neighbor, etc.; first you will need to create an account at USPS.com. Also check out "UPS My Choice" where you can log on to UPS.com and track your package to reroute, reschedule, or authorize a shipment release for your delivery. Get a PO box for deliveries for extra security
5. Shipping via UPS? Go online to UPS.com and search for "UPS Access Point"; neighborhood stores that will hold your packages for you
6. There are several apps available in San Francisco that allow you to ship to a package destination, and then will schedule the delivery to your home once you are available
7. Set up a delivery alert by email or text as to when your package has been delivered
8. Pay for insurance to cover the cost of the item shipped if lost, damaged or stolen
9. **Never let a package sit unattended on your doorstep**; package theft is very high in San Francisco.

## WHO AND WHEN TO CALL?

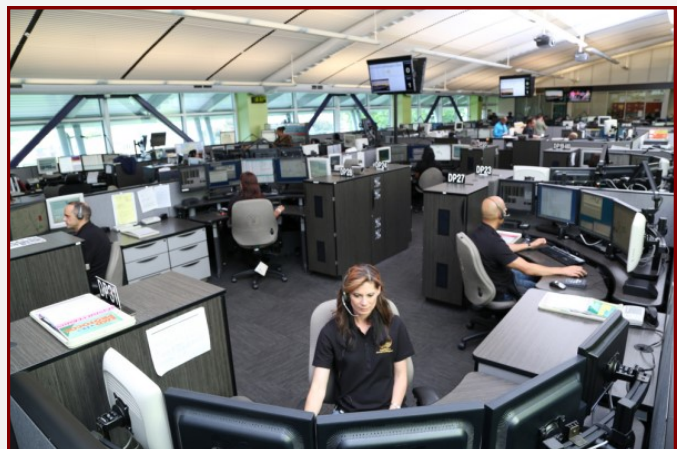

**3-1-1:** Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

**Non- Emergency San Francisco Dispatch Line:** Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

**9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency.** The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

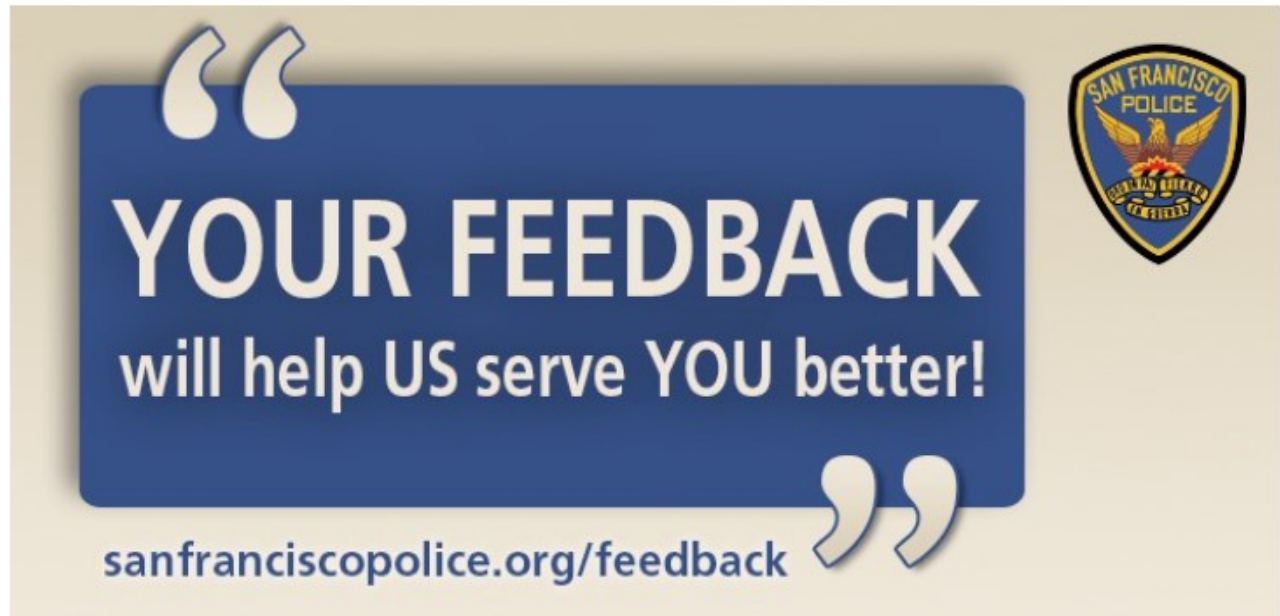

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

**(ALERT)**

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

## What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

### Pathways to ALERT membership:

1. Complete NERT training and receive certification. To register for NERT training courses, please visit [www.sfgov.org/sfnert](http://www.sfgov.org/sfnert). Once NERT Certified, forward a copy of your NERT ID card to the ALERT program at [sfpdalert@sfgov.org](mailto:sfpdalert@sfgov.org). After clearing our background check, you are eligible for ALERT training.
2. If you are an SFPD Community Police Academy graduate, you are eligible for ALERT training after clearing our background check.

**PARK STATION'S VISION & VALUES**

**In the above photo,  
Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
