Required Equipment

Preparation is critical in order to respond quickly and efficiently to spontaneous or planned events requiring immediate police resources.

With the significant events taking place in San Francisco in the near and distant future, sworn members are reminded to be equipment ready as required by DGO 10.02.

Additionally, effective immediately and until further notice, on-duty uniformed officers shall carry the following equipment in their patrol vehicles in order to be prepared for immediate deployment if necessary: **36" Baton, Riot Helmet, Gloves.**

Supervisors shall ensure that patrol personnel under their command are in compliance with this order.

Per DB 15-141, sworn members are required to electronically acknowledge this Department Bulletin in HRMS.

A handwritten signature in blue ink, appearing to read 'Greg P. Suhr', is positioned above the printed name of the Chief of Police.
