Oct. 1 - Nov. 2, 2018

Benefits Fair, Flu Clinics, and Open Enrollment Events.

Fall is upon us!

And you know what that means — time to let the San Francisco Health Service System help you prepare for this year's flu season, along with anything else that 2019 might bring your way.

Find this year's [Health and Benefit Fairs](#), [Open Enrollment events](#), and [Flu Shot Clinics](#) listed on the calendar on the back of this handout. Many of these events allow you to [Get Your Free Flu Shot](#) and turn in your [Open Enrollment forms](#) at the same time and place!

Get Your Free Flu Shot

To protect you, your family, and your co-workers from this year's flu virus, we're offering a **FREE** flu shot at 25 clinics across the City. Check the calendar on the back to find the clinic closest to you. Everyone — even healthy adults — needs their annual flu shot to help stop the spread of this highly contagious (*and possibly dangerous!*) respiratory illness.

Open Enrollment for 2019 is October 1–31, 2018

Open Enrollment is your annual opportunity to update your health benefit choices. Check out the events calendar to find where you can visit with SFHSS staff and learn what's available to you in 2019.

At Open Enrollment, you'll be able to:

- Add/change your medical and dental plan
- Add or drop dependents from coverage
- Drop ineligible dependents without penalty
- Enroll or re-enroll in an Flexible Spending Account (FSA) for health care or dependent care
- CCSF and CRT employees, enroll in voluntary benefits
