Off-Duty Concealed Carry PROHIBITED at Chase Center

Off-duty law enforcement officers who do not have an authorized, working, event-day function, will be banned from bringing weapons into Chase Center. No firearms will be allowed into Chase Center except for those carried by law enforcement officers working in a pre-approved event-day capacity and assigned to the event. This ban will also apply to licensed CCW patrons.

The Chase Center is secured through a number of measures including, but not limited to magnetometers, metal detecting wands, pat-downs and explosive detection canines.

You will be denied access to enter the Chase Center if you are off-duty and carrying a firearm. There will be NO weapons storage on the property. Members are required to adhere to Department Bulletin 17-202, Firearm Security in Vehicles, and should familiarize themselves with San Francisco Police Code 3602B as it relates to the storage of firearms.

Please direct any questions to Lieutenant Amy Hurwitz at the Field Operations Bureau.
