22-010  
1/27/22

## Domestic Violence Radio Suffix Code

The purpose of this notice is to remind members of requirements around radio code usage and domestic violence incidents.

By ensuring the DV suffix is amended to radio call codes when appropriate, the Department will be able to ‘measure and communicate’ our current DV related statistics to our stakeholders more effectively, and utilize the data to ‘improve responsiveness.’

Per DGO 6.09:

*“Code all domestic violence-related calls for service in the MDT as follows:  
“DV” Domestic Violence...”*

Questions about this policy can be directed to the OIC of the Special Victims Unit.
