Members shall comply with DGO 11.08 "Grooming Standards" for all Department Identification photos.

3.17.02 POLICY

A. Expiration/Renewal/Retirement

1. Expiration - Identification cards will expire after 5 years. Sworn members' ID cards expire on December 31st of the expiration year. Civilian ID cards expire at the end of the month of the civilian employee's birth month. Identification cards issued to temporary non-sworn employees and recruit officers expire after 1 year.
2. Renewal - The Staff Services Division will notify members via Department Notice when their identification cards expire and will instruct members on the procedures for renewal. Members shall not dispose of their identification cards except through the Staff Services Division.

New retirees will be issued identification cards with a concealed weapon authorization for Law Enforcement Officer Safety Act (LEOSA) purposes expiring 5 years from the year of retirement unless otherwise denied or revoked. Denial or revocation decisions rest solely with the Chief of Police. Members who retired after January 1, 1981 may request a new identification card but must re-qualify at a range, as directed by the Department Range Master, to have concealed weapon authorization on their identification card. The Department Rangemaster will be responsible for all LEOSA certifications.

The Chief of Police may issue an identification card for LEOSA purposes to any qualified former San Francisco Police Department officer who meets the following criteria (18 USC 926C; Penal Code 25455):

 - (d) Has not entered into an agreement with this Department where the officer acknowledges that they are not qualified to receive a firearm qualification certificate for reasons related to mental health.
 - (e) Is not prohibited by Federal or State law from receiving or possessing a firearm.
- B. Surrendering Identification Cards - Identification cards shall remain the property of the San Francisco Police Department.
- 1. Resignation/Termination - Members who resign, or are terminated, shall turn in their identification cards to the Property Control Section or any member designated by the Chief of Police.
 - 2. Suspension - Members who are suspended shall surrender their identification cards to their commanding officer or any member designated by the Chief of Police.
 - 3. Exigent Circumstances - When ordered by a superior officer, a member shall immediately surrender their Department identification card.

3.17.03 PROCEDURES

A. Replacing Identification Cards/Duties of Members

- 1. Lost or Stolen - In the event an identification card is lost or stolen, immediately notify the Staff Services Division and the Department Operations Center (during non-business hours) and complete a memorandum describing the circumstances. The member's commanding officer or designee must complete a supervisory investigation memorandum outlining the circumstances of the Lost or Stolen ID card. The completed memorandums shall be forwarded to the Staff Services Division.

- a. If an identification card is stolen, an incident report must also be prepared, and a copy submitted with a memorandum.
 - b. If the theft occurred outside the city, notify the appropriate law enforcement agency, and have an incident report made. If possible, obtain a copy of the incident report and attach it to the memorandum when submitting it to your commanding officer.
2. Worn/Damaged - Any member whose identification card becomes worn or damaged prior to its expiration date shall submit a memorandum explaining the damage and request a replacement. In addition, members must complete SFPD Form 154 (Damage to Department Property). Commanding officers shall review such requests and approve as warranted. Upon approval, the Staff Services Division will issue a replacement identification card utilizing the current digital photo on file.
