## San Francisco Police Department 175<sup>th</sup> Anniversary Commemorative Star

The San Francisco Police Department was founded in 1849 and will mark 175 years of proud service to the City and County of San Francisco in the year 2024. Commemorative stars are frequently issued by public safety agencies to celebrate significant milestones.

To help commemorate this historic event, the department will commission a special 175<sup>th</sup> Anniversary Star that may be worn on duty by sworn members during the 2024 calendar year.

The Department's star vendor, Irvine and Jachens has created a design approved by the department that maintains the traditional SFPD seven-point silver star and incorporates the words, "175 YEARS" and "1849-2024" with the seal of the City and County of San Francisco in the center. The attached order form has an image of the Chief of Police version of the Star. Note that stars for the rank of Officer will not have the top ribbon denoting rank. Stars for the Sergeant rank will have a silver ribbon. Stars for commissioned officers will have a gold ribbon.

The 175th Anniversary Star may be worn upon any class of uniform during the 2024 calendar year. Only active members are eligible to purchase the 175<sup>th</sup> Anniversary Star. Members will be responsible for all associated costs and make payment to Irvine and Jachens.

Members may begin submitting orders upon issuance of this notice. The order form is attached. To secure current pricing, orders need to be received by December 31, 2022.

To order, complete the attached order form and send the form and a check payable to [REDACTED] to the [REDACTED] [REDACTED] [REDACTED]. [REDACTED] have specified payment to be made by check only.

The Administration Bureau will compile orders and submit them for fulfillment. Members are encouraged to order their star soon, not only to lock in current pricing, but to allow [REDACTED] ample time to create the stars in time for the release date. All stars will be retained by the Administration Bureau until the release date in January 2024.

A notice will be forthcoming announcing how and when the stars will be released at a later date. If you have questions, please email the Administration Bureau at [REDACTED]. Do not contact [REDACTED] regarding this star program.
