Captain's Greeting

Greetings from Mission Station. I hope this day finds everyone well.

The Mission Police District is bordered generally by Cesar Chavez St, Market St, Division St and San Bruno. Our police district is comprised of many historic neighborhoods including the Mission, Castro, Eureka Valley and Noe Valley to name a few. The people, culture, arts, parks and vibrant commercial corridors are a draw for residents and visitors alike.

Officers assigned to Mission Station are actively involved in community and youth engagement efforts throughout our district. We are fortunate to have numerous partners in our community who help us provide information about services, resources and programs which are beneficial to the members of our community.

We are fortunate to be invited to attend neighborhood watch meetings, merchant meetings and community events. We are also happy to connect our partners at SF SAFE to newly formed and existing neighborhood watch groups to help them develop effective strategies that help improve safety in their neighborhoods.

Stay Safe!

Community Surveys:

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

Having difficulty with someone? We can help!

COMMUNITY BOARDS

Since 1976, Community Boards has been helping people peacefully resolve their disputes through mediation.

WHAT IS MEDIATION?

Mediation is a confidential and voluntary meeting where people discuss difficulties they are having with each other.

Our mediators help people come up with workable and lasting solutions. They do not give advice or make judgments. The goal is to help everyone feel heard, understood, and respected.

In addition, our Professional Mediation Services can assist HOAs, TICs, small businesses, independent contractors, startups, boards of directors, property managers, HR, and others.

Desde 1976, Community Boards ha estado ayudando a las personas a resolver pacíficamente sus disputas a través de la mediación.

¿QUÉ ES LA MEDIACIÓN?

La mediación es una reunión de tipo voluntario y confidencial, en donde las personas que se encuentran en dificultades con otras se reúnen para discutir entre ellas con la ayuda imparcial de terceras personas, las cuales son nuestros mediadores comunitarios.

Los mediadores ayudan a la gente a encontrar soluciones prácticas y duraderas. Los mediadores no dan consejos ni hacen juicios. El objetivo es ayudar a todos a sentirse escuchados, comprendidos y respetados.

¿ES ÉSTE SU PROBLEMA?

Bulla, ruidos • Disputas entre propietarios e inquilinos • Desacuerdos entre compañeros de cuarto • Conflictos familiares • Problemas de vecinos • Interrupciones de la comunicación • Acos, hostigamiento • Cuidado de la vegetación • Cuidado de la cerca • Reparaciones de propiedades • Problemas con las mascotas • Problemas con el estacionamiento • Vandalismo o graffiti • Otros problemas?

您有人際關係困擾嗎? 我們可以幫助您

自1976年以來 Community Boards 一直在幫助人們通過調解和平解決糾紛。

何謂調解?

調解是一種另類解決爭議的方法。由獨立第三者(我們的社區調解員)協助調解爭議雙方的矛盾。調解過程是完全自願及保密的。

調解員協助當事人通過談判尋求共同所能找到的最佳解決方案。調解員是客觀的，不會多聽自己的意見，或者判斷。除了解決矛盾，調解的目的是讓當事人雙方覺得他們的問題被重視、理解和支持。

您是否遇到過以下的問題?

噪音干擾 • 業主與租客的糾紛 • 室友分歧 • 家庭衝突 • 鄰居關係 • 溝通障礙 • 騷擾 • 花木樹草的護理 • 鐵欄維修 • 物業維修 • 寵物問題 • 停車問題 • 惡意破壞或推搡 • 其他問題

MISSION DISTRICT CAR SECTOR'S

The Mission District covers the area east of Twin Peaks to the James Lick Freeway and south of Market Street to Cesar Chavez Street. The Mission is broken up into 6 car sectors marked with 3D. What sector do you live in?

DEFINITION OF SUSPICIOUS ACTIVITY

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations:

A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

See something.
Say something.

CRIME DEFINITION

Robbery – Robbery is the taking of property from another by using force or by using fear.

Assault – An assault is an unlawful attempt, coupled with the present ability, to commit a violent injury on another person.

Battery - (Misdemeanor battery) is any willful and unlawful touching of another. **(Felony battery)** is the use of force or violence upon the person of another that causes serious bodily injury.

Assault is when a person swings their arm and **battery** is when that arm makes contact with another person.

Aggravated Assault – Assault upon another person with a deadly weapon or instrument other than a firearm or by any means of force likely to produce great bodily injury.

Burglary – The intent upon entry into a property to commit grand theft, petty theft, or any felony.

Grand Theft – Grand theft is theft committed when the value of the money, labor, or property taken exceeds \$950.

Petty Theft – Theft where the value of the property taken is less than \$950.

ADDRESSING CRIME / SAFETY TIPS

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

✉️ WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

✉️ CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

✉️ USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

✉️ DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

✉️ REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

✉️ USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

✉️ NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

✉️ PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

ADDRESSING CRIME / SAFETY TIPS

PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. [PARK SMART!](#) Flyers available in English -Chinese - Spanish

Park Smart!

Safe Habits to Adopt:

Turn off the ignition

Never leave your car running unattended

Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors

See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk

and take your valuables with you every time you leave your car

SUMMARIES OF SUPREME COURTS CASE LAWS

(RELEASED EVERY 3 MONTHS-FIRST WEEK JANUARY, APRIL, JULY, OCTOBER)

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ...". He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

15 TIPS

TO KEEP YOU SAFE

- 1. Location matters.** When possible, choose ATM machines that are inside buildings. If you have to use an outdoor machine, avoid machines located on a corner, which make it easy for would-be skimmers or scammers to sneak up on you.
- 2. Look for light.** Always opt for ATMs that are well-lit and not surrounded by bushes or hidden by signs or other obstructions.
- 3. Lock your car doors.** If you're using a drive-through ATM, make sure that your doors are locked and all of your passenger windows are rolled up. And leave your engine running so you can get in and out as quickly as possible.
- 4. Park close to the machine.** You should park as close to the machine as you can – and lock your car doors as soon as you get out.
- 5. Get your card out early.** Your goal should be to spend as little time as possible standing in front of a cash machine. One way to do this is to get your card out before you get to the machine so you don't have to stand there digging through your purse or wallet.
- 6. Bring a friend.** The more the merrier, right? And safer. Bringing a buddy when you stop at an ATM is always a good idea.
- 7. Know your PIN.** If you're going to use an ATM, this is a must. You should never, ever carry your PIN number around with you. It's best if you don't even write it down. Pick a number you'll remember (but nothing too obvious, like "1234").
- 8. Watch out for skimming devices.** [Skimming](#) is the latest in tech-savvy theft. Devices often look like they are part of the ATM or card reader – but you can spot them if you know what to look for. Watch out for any loose or ill-fitting parts on the card reader or PIN pad – also look for parts that vary slightly in color or that look like they were installed recently.
- 9. Count your cash later.** Wait until you are in a safe place. Never count your cash while you're standing at the ATM.
- 10. Don't forget your receipt.** Better safe than sorry. Even if your account number is XX-ed out, your receipt might have other information like your name and your bank balance.
- 11. Be aware and alert.** Before you use an ATM, look around and make sure you don't see anything suspicious. A person who seems aware of their surroundings is much less likely to be targeted by a criminal.
- 12. Turn down random offers of "help."** If you're having trouble with the machine, don't accept any offers of help from strangers – they might be after your account number. If you're at a bank during business hours, talk to someone there. If there's no one around, walk away.
- 13. Don't let people look over your shoulder.** Use your hand or your whole body to prevent others from watching you enter your PIN number or sneaking a peek at your bank balance.
- 14. End your transaction.** When you withdraw or deposit cash at an ATM, the transaction ends with a question – usually some variation of, "Would you like another transaction?" or "Can we help you with anything else today?" If you're finished doing what you needed to do, make sure you select "NO" and get your card back before you walk away.
- 15. Be extra-careful at night.** Days are getting shorter now that it's fall – and darkness creates more opportunities for people looking to steal your money or your PIN. If you stop at the ATM after the sun goes down, take extra precautions. Don't stop at a machine that isn't well-lit, and double-check your surround-

CPAB— PROJECT UPDATES

(PROVIDED MONTHLY 1ST WEEK)

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.
