Application to Leadership San Francisco 2024/2025

Leadership San Francisco (LSF) is a nonprofit organization dedicated to educating and developing community trustees who will make a significant contribution to strengthen and transform our community. Each year, approximately 60 emerging leaders are selected to participate in LSF's 10-month program. Participants are challenged to increase their understanding of the environment in which they live and work, and to learn how to respond effectively to community issues. They are part of a unique network of concerned citizens, taking an active role in influencing quality of life in the San Francisco Bay Area.

To Apply: Those who meet criteria for selection and can commit to important dates should submit a memorandum with a resume through their chain of command, to the Deputy Chief of Administration. The memorandum should demonstrate professional work, educational and community achievements, future goals, and benefit to San Francisco's well-being.

The final selection will be made by Chief Scott. Upon selection, the member shall be directed to submit an LSF application online. Do not apply to LeadershipSF unless directed to do so. Any member who previously applied and was not selected must submit a new application.
