WHITE HOUSE RED CARPET ROAST

(Keeping the WHITE HOUSE PINK CARPET "RED")

OUR PRESIDENT

Our President has had child sex with more children than all of our White House children have had pet goldfish. (Score: President 47; White House children 42)

Our President needs 3 children to sit on his lap when filling a 44 passenger school bus to number all of the young children he enjoyed for sexual gratification.

When you consider the ages (age 11 to 17) of some of the young female children our President enjoyed for sex; his assistant might as well have gone into the delivery wards of our hospitals to identify female newborns for future pleasure.

We should make world child pornography legal and get rid of sex offender lists worldwide to allow our President to jet hop in 9 countries and stop 22 times to pick up 42 children for sexual pleasure.

While our President was picking up kids using opulent sex trafficking techniques; our Vice President was barely able to get his stuff in the toilet bowl when he was masturbating in the bathroom (absolute truth).

Our President began legalizing marijuana when he decided to smoke pot two and a half years before his campaign for US President. (Score: President 5 joints; US people 0)

Our President committed pure fraud only six times on his federal taxes totaling \$410,000. (Score: US President highest record in White House history; US per person lifetime average \$5,000)

OUR VICE PRESIDENT

Our Vice President admits to hitting two department stores in his college town. Items were shoplifted from the shelves of two department stores by our Vice President during his junior and senior years in college. Our Vice President did consider making a generous restitution (one check for \$1,000 and one check for \$700) thirty years later to the companies that were hit by him. He eventually decided to not use his publicly earned money in a settlement.

He was 21 years old when he and three other friends went joy riding in a stolen car. They were all smoking pot and the drivers of the stolen vehicle were driving under the influence.

Our Vice President is considered the smallest cheater in the USA when he committed tax fraud six times totaling \$1,700.

THE ABOVE IS US DEPARTMENT OF JUSTICE (US DOJ) AND US FEDERAL BUREAU OF INVESTIGATION (US FBI) INFORMATION.
