

BAYVIEW COMMUNITY UPDATE May 25, 2005

Acting Captains

I will be in training the next three days, but will be coming in early to get the e-mail out prior to the training. Lieutenant Curtis Lum will be the acting captain on Monday, and Lieutenant Kurt Bruneman will be the acting captain on Tuesday and Wednesday. The training is taking place at our Academy in Diamond Heights, so I will still be available for any emergencies.

Crime and Enforcement Update

ATT. Homicide with a gun                      05/22/05      1:00am      700 Blk  
Kirkwood

Officer responded to the emergency room at Mission Emergency Hospital to meet with a gun shot victim on the 23rd at 5:45pm. The victim told the officers that he was hanging out in the area when he heard someone say "HEY HEY" and then he heard gun shots. He ran through the path and originally thought that a branch of a tree had injured him. It wasn't until the next day that his stomach began to hurt and he went to the doctors. He had been shot. Domestic violence                              5/23/05      8am              100 blk of Apollo

A person came into Bayview Station with a swollen eye. The victim told the officers that his girlfriend had left his house that morning and there was \$80.00 missing. He went to her address on Apollo to ask her about it. She stated that she did not take his money. As he was leaving, the suspect's father grabbed the victim by the neck and they fell to the ground. The father then hit the victim several times in the face. While this was happening the suspect (daughter) reached into the victims pants and stole his cell phone. Officers responded to the address to arrest the suspects. They discovered the stolen cell phone in the girlfriends' pocket. It was a family affair. Both father and daughter went to jail. (050572441)

Stolen Vehicle                                  05/23/05      3:50pm      Donner/Phelps

A vehicle with a minor equipment violation was observed in the area. A computer check revealed that the car had been reported stolen. Of course no one in the vehicle knew that it had been stolen. Three juveniles were released to other agencies. (050574839)

Malicious Mischief                              05/23/05      3:50pm      100 blk

Officers responded to a Domestic disturbance. When they arrived there was an argument between two people. It was investigated and determined that the suspect had damaged the victim's property. The suspect admitted to breaking the eighteen hundred-dollar TV. (050574754)

Vehicle, false registration                      05/23/05      9pm              2700 blk 24th  
St

A vehicle was observed driving through a red light. When the officers pulled the vehicle over they noticed that the rear plates were displaying current tabs (registration), however the computer told a different story.

The computer told the officers that the registration has been expired since November of 2004. The driver was cited, the plates were confiscated and the vehicle was towed. (050575934)

Poss. of narcotics paraphernalia 05/23/05 8:55pm 100 blk Dakota  
A person was on parole and working on his vehicle when the officers stopped and found him in possession of a crack pipe. The parolee was cited and released at the scene. (050575730)

Trespassing 05/23/05 2:30pm 300 blk Bayshore  
A local, residentially challenged person who continues to solicit donations at the Jack in the Box was cited for trespassing. (050574384)

Driving with out a license, the on going saga.

One was cited and had nothing to say. The car was towed and that was it.

The second one was a little more exciting. He said "I don't have my license with me. I don't have my proof of insurance. MY MIRROR BROKE OFF YESTERDAY." OK, what does a broken mirror have to do with driving w/o a license?

The third arrest for driving with out a license had to be booked. He was booked for the violations, but found to have a warrant. You'll never guess what the warrant was for..... You'll have to read the bottom of the email to get the answer.

Suspicious Occurrence 05/23/05 300 blk Topeka  
The victim received a telephone call stating that if they wanted to see their sons again they would have to wire \$2800.00 to El Salvador. The employee at western union advised them that it was probably a scam and they did not send the money and the case is being investigated by the department. (050574055)

Aggr. Assault with handgun 05/23/05 LaSalle/Ingalls  
Officers responded to the hospital on a report of a victim that had been shot. A minute earlier there was a report of shots fired in the area of Oakdale and Baldwin. Two reportees and one victim were interviewed. They said they were in the area when someone opened fire at their car. One bullet went through the passenger door and struck the front passenger in the leg. None of the reportees were able to describe the gun or the suspect. (050057017)

OH! I guess your looking for the answer to the question above. If I could, I would write it upside down, like on a cereal box, but I can't. He had a warrant for driving with out a license. I guess he didn't learn his lesson.
