Crime and Enforcement Update

On December 6, at 9:31 a.m., Bayview officers responded to LaSalle and Newhall on the report of a man beating a woman. The officers saw a man and woman in a parked Cadillac, and could see the man punching the woman in the head several times. The officers arrested the man and removed him from the Cadillac. The female victim was 17 years of age and was crying and upset. She attempted to walk away and said she didn't want to speak with the officers. The officers determined that a court stay-away order had been issued forbidding the suspect from contacting the victim. The suspect's family then arrived on the scene and became very hostile to the officers, so they moved their investigation to Bayview Station. The victim then told officers that the suspect was her boyfriend of three years (since she was 14), and further, that she had been having sexual relations with him throughout this period. The victim also stated that the suspect had beat her numerous times today because she wanted to break off the relationship. The suspect, 24 years of age and living on the 1100 block of Phelps, was booked for false imprisonment, battery, violation of a court order, and unlawful sex with a minor (041 384 651).

On December 6, at 4:50 p.m., Bayview officers made a traffic stop on a vehicle at Silver and Yale and determined that the vehicle was displaying the wrong license plates. The driver, a mechanic, admitted to officers that he had removed the plates from a car he was working on and placed them on his car, which had its plates removed by the police the last time it was towed. The driver was cited for displaying the wrong plates, false evidence of registration, driving with a suspended license, and driving with no insurance (041 386 895).

On December 7, at 10:48 a.m., a 17 year old girl reported to Bayview officers that a classmate of hers (also a 17 year old girl) at the Scholars of Success School had been harassing and threatening her and had recently threatened to kill both her and her brother. The suspect had approached the victim at school and told her that she had a "shank" with her and was

going to stab the victim and her brother. The suspect later rode her bicycle past the victim's brother and simulated shooting him. The victim stated that she was told by the suspect's aunt that the suspect is engaging in this activity because she has a "crush" on the victim and is attempting to "...get her attention." An emergency protective order was issued and the case was referred to our Juvenile Division (041 389 231).

On December 7, at 10:55 a.m., a man walked into Bayview Station and told officers that he and his ex-wife were involved in a custody dispute over their children and his ex-wife had been threatening him. The man provided officers with a note his wife had left for him, wherein she threatens to "...smash (his) face," and "...beat (his) expletive deleted ass." 041 389 203

On December 7, at 12:10 p.m., Bayview officers responded to Candlestick Point Park on the report of a fully-clothed man "bobbing up and down" in the bay. The officers located the man about 50 yards from the shoreline and notified the Coast Guard, who pulled him from the water. The man was transported to the hospital and the officers attempted to interview him there, but could not due to a language barrier. The man's family responded to the hospital and interpreted for him, stating that he had been feeling tired lately and hadn't been sleeping. The man was admitted to SFGH and is listed in critical condition (041 389 736).

On December 7, at 7:00 p.m., Bayview officers responded to a home on Bayview Street on the call of a domestic violence case. The male caller, who was bleeding from the head, told officers that his wife was drunk and had refused to go to the store with him, which angered him because they had talked about going to the store earlier in the day. The couple began to argue and the wife threw a liquor bottle at the husband, hitting him in the head and causing a deep laceration which required medical attention. The wife was too liquored up to be interviewed and was booked for aggravated assault and domestic violence (041 391 399).

On December 7, at 9:15 p.m., Bayview officers responded to Gaven and Barneveld on a robbery call. The victim, an Asian female who speaks no English, was interviewed by a bilingual officer and stated that she had exited the Muni bus at San Bruno and Silver and was walking home when she was approached by a suspect who displayed a 6 inch knife and then stole her bag. The suspect is a black male, 25-30, 5'8", 200, wearing blue athletic clothes (041 391 634).

On December 7, at 10:00 p.m., Bayview officers responded to 3rd and Gilman on an assault call. The caller was present at the scene with three other men, and the caller pointed to the men and identified them as assailants. The victim told officers that he had been riding the Muni bus on Geneva when one of the three men attacked him and stole his property. The victim ran from the bus to his home and told his family members, and they followed the bus to 3rd and Gilman where they notified police. The victim could not identify which man had attacked him, so they were all identified for the report. One of the men had an outstanding warrant for his arrest and he was booked for it (041 391 781).
