Bayview Community Update  
Tuesday, January 31, 2006

I have decided to have the Bayview Station monthly community meeting at Bayview Station. After some consideration, I felt that it was important to have the meeting stand on its own and be presented at Bayview Station.

The first monthly community meeting will be on Tuesday, February 7, 2006 at 7:00 PM at Bayview Station, 201 Williams Street. The meetings will be held in the community room and access can be gained by entering through the Newhall Street door.

The R.O.S.E.S group will continue to have their meetings on the first Thursday of each month at 1800 Oakdale Street.

Sincerely,

Captain Albert Pardini  
Commanding Officer  
Bayview Station

When 35 specially adapted bicycles for children with disabilities were stolen from the Bay Area Outreach & Recreation Program (BORP) last month, the NBR went to work to facilitate the recovery process. NBR, the only nationwide bicycle registration and recovery service of its kind, is used by thousands of Police Departments across the country to match stolen and recovered bikes with their owners.

Individuals who might come across an adapted bike they suspect was stolen (or any bike for that matter) can go to [www.nationalbikeregistry.com](http://www.nationalbikeregistry.com) or call 800-848-BIKE to verify the bike's lawful ownership.

THE BELOW LISTED INCIDENTS WERE SUBMITTED BY INDIVIDUALS OF BAYVIEW STATION: Some contributions missed last week's publication deadline and are included this week.

Monday, January 16, 2006, 6:00 PM, DHL Warehouse, Marijuana Shipment (case number 060063674): Sgt. Hagan responded to the DHL warehouse on a report of a box full of Marijuana. Sgt. Hagan spoke to a DHL representative who told him that they had picked up a shipment from an Office Max at store in San Francisco. Office Max accepts shipments for DHL. When the box arrived in their warehouse, there was an obvious smell of marijuana coming from the box. DHL personnel opened the box and found 10-12 pounds of marijuana packaged in baggies.

The person shipping the marijuana had placed his name on the return address. Narcotics officers will probably be talking to him in the near future.

Monday, January 16, 2006, 6:20 PM, Brussels and Silliman, Vandalism to vehicle with television (case number 060060511): Officer Chu, the beat officer for the Portola District was on patrol when he was flagged down by several people at Brussels and Silliman. They told him that they just saw a man throw an abandoned TV at a car and walk off. They said that he picked up the TV twice and threw it at the car breaking the window and smashing the door. The suspect then spit in the car and walked away. With the help of the witnesses, Officer Chu located the suspect a couple of blocks away. The witnesses then positively identified the suspect as the man they saw throwing the TV at the car.

Officer Chu contacted the owner of the car who did not know the suspect and could not understand why he would throw a TV at her car.

Monday, January 16, 2006, 8:00 PM, Revere and Lane, Carjacking arrest (case number 060060204): While on patrol at Revere and Lane, alert Officers Arndt and Paul saw a car that they recognized as being stolen in a car jacking in the Mission three hours earlier. The officers notified headquarters and other officers responded to their location and the occupants of the car were taken into custody without further incident.

The victim came from the Mission and positively identified the suspects, two women, including one juvenile as the ones that held a knife to his neck and took his car. A warrant check revealed that the juvenile also had a narcotics warrant for her arrest.

The adult was booked at County Jail for robbery and conspiracy; the juvenile was booked at YGC for the same charges, plus the warrant. Really outstanding police work by Officers Arndt and Paul.

Tuesday, January 17, 2006, 9:00 AM, Newcomb and Keith, Purse snatch (case number 060062313): Officers Gasanyan and Lanfranchi responded to the victim's residence on a report of a purse snatch. The victim, a small, elderly, Asian woman, told the officers that she was standing waiting for the bus at Newcomb and Keith when an 18-20 year old African American man, approximately 5'7" and 185 pounds came to the bus stop and stood behind her. He was wearing a blue hooded sweatshirt. Suddenly he pulled the hood over his head and grabbed her purse which was slung over her shoulder. The force caused her to fall to the ground. The suspect continued to pull on the purse, dragging the victim on the ground. The victim let go of the purse and the suspect ran away with it.

Tuesday, January 17, 2006, 11:00 PM, LaSalle and Newcomb, Car into planter (case number 060065210): Officers Anderson and Ferrell responded to LaSalle and Newcomb on a report of a single car vehicle accident; the car had hit the cement planter that is in the middle of the street. There was actually no damage to the planter, but the car was wedged on to the planter and was unable to move. The officers noted that there was a jack under the front of the car as if someone had attempted to free the car. The car was towed to the police impound.

Approximately one hour later, dispatch received a call from the Sunnydale housing projects from the owner of the car, claiming that the car had been taken in a carjacking. Officers Anderson and Ferrell responded to the Sunnydale to talk to the owner. The owner claimed that she had been carjacked by three African American men in ski masks at LaSalle and Newcomb. She could not provide any description of the men. She said that she ran to LaSalle and 3rd (a block away) and used a pay phone to call a friend. The officers asked why she did not use the pay phone to call the police and she said that she wanted to get back to the Sunnydale first. Then the officers asked her for the phone number of the friend she called. The "victim" then took her cell phone out of her pocket and started to look up the number. When the officers asked her why she didn't use her cell phone to call her friend in the first place (and to possibly call the police?), she said that she didn't have her cell phone with her at the time. They asked her how she remembered her friend's number then, but could not remember it now and she replied, "Only by the grace of God."

Officer Anderson spoke to the friend by phone back at Bayview station. She told him that the "victim" had called her about 7 PM and told her that she needed a ride. The friend picked her up at San Bruno and Bacon and took her to the Alemany housing projects. The friend also told Officer Anderson that the "victim" had her 5 year old son with her at the time. The friend dropped the victim and her son off at the Alemany projects a little after 7 PM.

Thursday, January 19, 2006, 3:15 AM, 1100 block of Revere, Burglary in progress (case number 060069676): Bayview Midnight officers responded to the 1100 block of Revere in response to a burglar alarm and found that the rolling gate had been pried up. Officers heard footsteps coming towards the rolling door, so they positioned themselves outside the door to see who was coming. The door went up and the suspect carrying two buckets, one filled with coins, came strolling out. The officers identified themselves and the suspect dropped the buckets and ran back into the building. K9 Sgt. Tsujimoto arrived with his partner, Barak, arrived to search the building for the suspect. Barak found the suspect hiding behind a freezer, however when the officers told the suspect to come out he yelled, "I can't! I'm stuck here!" Apparently, the suspect who was hiding on top of the freezer, had jumped down behind it when he saw the officers approaching, wedging himself between the freezer and the back wall.

The Fire Department had to be summoned to get the suspect out from behind the freezer. He was taken into custody and booked at Bayview Station on burglary charges.

This particular suspect was in county jail for most of 2005 for another burglary. In that case, he actually tried to burglarize a building while a police officer was in the building investigating a prior burglary. The officer's squad car was actually parked in front of the building and the suspect entered a damaged rollup door within 5 feet of the officer's car! During court, the judge in the case sent the suspect for psychiatric evaluations three times because of his behavior.

Tuesday, January 25, 2006, 12:59 PM, 2490 San Bruno, Robbery with Force (case number 060094372): The suspect entered the Radio Shack on San Bruno Avenue and started to question a clerk about a portable DVD player. As the clerk was demonstrating the DVD player, the suspect suddenly grabbed the DVD player and told the clerk, "Give me all the money or I'll kill you." Fearing for his life, the clerk opened the cash register. The suspect reached over the counter and grabbed the money out of the cash register, then fled the store. Officers responded to the area, but could not find the suspect.

The suspect is an African American man, approximately 25-30 years old, 5'8" with a thin build. He has a light complexion and a shaved head. He also has distinctive scars around his mouth and possibly his neck. At the time of the robbery, he was wearing a gray sweatshirt with black rings around the armpits. The robbery was caught on video tape and pictures of the suspect are at Bayview Station. If you know this person, please call Bayview Station and reference the above case number.

Tuesday, January 25, 2006, 6:30 PM, 195 Kiska, Animal Cruelty (case number 060096049): While on patrol, Sgt. Perez was hailed by two citizens concerned with the treatment of two dogs. They told Sgt. Perez that the owner of the dogs keeps them in a truck 24 hours a day and only feeds them sporadically. The dogs are living in their own filth because they have nowhere else to go. They pointed out the truck to Sgt. Perez who found the found the emaciated dogs covered in their own feces. The rib cages could be clearly seen on both dogs. There was no food or water present in the truck and the smell of feces and urine could be smelled from several yards away. Children in the area said that the owner never lets the dogs out of the truck and only feeds them one hot dog a week.

Other officers responded to help Sgt. Perez with the dogs. When the officers were taking the dogs out of the truck, the owner of the dogs finally showed up and started yelling at the officers. Officer Calaunan cited the owner for animal cruelty and took the dogs to Animal Care and Control.

Tuesday, January 25, 2006, 8:37 PM, 1500 block of Thomas, Warrant/Narcotics arrest (case number 060096613): Officers Correa and Rodriguez responded to the 1500 block of Thomas on a report of a gray truck stopped in the middle of the street, blocking traffic. When they arrived, they saw the Chevy truck parked in the middle of the street. There was condensation all over the windows of the truck. Through the dense condensation, they could see that there was a lone man sleeping in the truck in the driver's seat. Officer Correa could not wake the sleeper by knocking, so he opened the door. The driver started to pound the floor with his foot while he was talking to Officer Correa. Soon Officer Correa heard a cracking sound and shined his light on the driver's foot. Officer Correa could see that the driver was trying to smash a glass pipe used to smoke crack cocaine. They detained the driver without further incident. A warrant check revealed that the driver was a parolee at large and that his parole had been violated. A search of his vehicle incident to arrest and prior to towing revealed several rocks of crack cocaine stuffed near the driver's seat. The driver was transported to Bayview Station where he was booked on narcotics and warrant charges.

Tuesday, January 25, 2006, 8:50 PM, Gilman and Griffith, Robbery with Gun (case number 060096497): The victim was parking his car at Gilman and Griffith when three African American men approached him from behind and told him, "Give us everything or we'll kill you." They then went through the victims pockets and ran into the Alice Griffiths Housing Project.

A similar armed robbery took place just 20 minutes earlier.

off work, Sgt. Riskin noticed a Cadillac in the gas station at San Bruno and Silver that had been reported stolen in the Mission earlier. Although the Cadillac had not yet been put into the stolen auto system, Sgt. Riskin remembered it from Headquarters' radio broadcast earlier that evening! Officer Ferrell and Anderson responded to back up the off duty Sergeant and found three teenage girls in the car. The officers detained the three and transported them back to Bayview Station per department regulations when dealing with teen age girls.

Officer Anderson then contacted the man who reported the Cadillac stolen. He told Officer Anderson that the car belonged to his wife, but he was driving it this evening in the area of Capp St. and 18th St. Officer Anderson noted to himself that Capp and 18th is an area well known for prostitution activity. The man did not live in that area. The man said that he offered to give the three girls a ride. They agreed, but then asked him if he would step out of his car first. The man complied and the three girls jumped in his car and drove away. Just to make certain that the man was only offering a ride and not engaging in illegal activity himself, Officer Anderson asked the man if he knew that many men pick up prostitutes on Capp Street. The man then refused to answer any further questions and told Officer Anderson that he would not press any charges against the three girls and that he just wanted his car back. Officer Anderson reminded the man that the car was actually registered to his wife and that she should come and pick it up ...

Wednesday, January 26, 2006, 1:00 PM, 1000 block of Oakdale, Shooting with Automatic Weapon (case number 060098653): At approximately 1:00 PM, Officer Maurice Edwards reported hearing automatic weapon fire in the area of Oakdale and Baldwin Court. Officer Edwards was in the area dealing with an abandoned car. Officer Edwards responded to the 1000 block of Oakdale, but did not immediately find anyone injured. Bayview officers started responding to the area to search for a victim, suspects or a crime scene.

Officers Ernst and Garate were responding from Shafter and Ingalls when they spotted a gray car with two completely flat tires heading south on Ingalls at a high rate of speed, away from Oakdale. Sensing that this vehicle might be involved, they stopped the car. As Officer Ernst approached the driver of the car, he noticed that there were at least three fresh gun shots on the driver's side front fender and door. Assuming that the driver might have been involved in the shooting, the officers detained the driver. As they detained him, the driver yelled, "They were shooting at me so I got the hell out of there." The driver turned out to be the victim of the shooting, but thankfully had gotten away without personal injury. On the passenger side of his car were about 10 old gun shots from a previous shooting that he had covered up with small bits of gray duct tape.

The victim told the officers that he was driving west on Oakdale when a man came out of the projects on the south side of Oakdale. The man pointed a very big rifle at him and then started shooting, hitting his car and the tires. Fearing for his life, the victim said that he drove out of there as fast as he could.

The driver gave Officer Ernst the suspect's description which headquarters then broadcast to all the responding units. Officer Edwards who was still searching the 1000 block of Oakdale saw a man matching the suspect description behind George Washington Carver School, pretending to do gardening. Officer Edwards detained the man, but did not find a weapon. The victim was transported to see the possible suspect and positively identified him as the man who had shot at him.

Officer Zapponi, who was part of the Specialist unit assigned to patrol the Bayview, also responded to the area. Specialists are trained in advanced tactics and use of automatic rifles and have been assigned to the Bayview district because of the continued use of automatic rifles by gang members. Officer Zapponi diligently searched the area south of Oakdale where the victim said that he first saw the man who shot at him. Noticing that in a certain area behind 1033 Oakdale, all the leaves had been piled into one area beneath a tree, Officer Zapponi removed the pile of leaves and found an AK47 type automatic rifle underneath the leaves.

The suspect was transported to Bayview Station where he was booked on attempted murder and weapons charges.

Subsequent ballistic tests revealed that the rifle that Officer Zapponi found may have been involved in several shootings that have occurred in the Bayview.

Thursday, January 27, 2006 12:30 AM, 4000 block of 3rd, Drug/Alcohol Overdose (case number 060101397): Officers Coleman and Rightmire responded to a panic alarm at an office building on the 4000 block of 3rd. When they arrived, they found a naked man roaming around the office. Paramedics were called who then transported the naked man to General Hospital. A woman who was also at the office said that she and the naked man had gotten locked in accidentally after work. Instead of finding a way out, they had decided to smoke crack and drink. The woman became concerned after the man became incoherent and took his clothes off.

Saturday, January 28, 2006, 7:49 AM. Auto Theft, Burglary, Possession of Burglary Tools, Possession of Narcotics Paraphernalia. 1200 Block of Egbert. Case #: 060105662. Bayview Sgt. Moran responded to the 1200 block of Egbert after a 911 caller reported that two suspicious characters might be stealing a car. The Sergeant found the car and detained two men

matching the caller's detailed description. Officers Darnell and Lanfranchi responded to the scene as backup. Sgt. Moran had discovered the main suspect behind the wheel of the car and noticed that a passenger window had been smashed in. On the rear seat of the vehicle was a screwdriver and several "punch" tools, commonly used to break auto glass. The second man had been standing next to a gym bag with the car's stereo in it. The two men provided the Officers with a fish story explaining the situation, but Officer Darnell contacted San Bruno PD and verified that the car had recently been stolen from that city. The man behind the wheel, a Bayview resident eventually admitted to having a drug problem and had a crack pipe in his pocket to prove it. He was booked at Bayview Station. The second suspect was released after providing a sworn statement of innocence.

It is believed that this suspect is responsible for numerous auto break-ins and thefts in the area.

Saturday, January 28, 2006, 2:42 PM. Possession of a Loaded Firearm, Probation Violation, Marijuana Offense, Conspiracy. Ingalls St. at Wallace Ave. Case #: 060106892. Bayview Plainclothes Officers Izaguirre, Mallinger, Aherne, and Solares were on patrol when they noticed a Ford Bronco drive through a stop sign. The Officers stopped the Ford and as Izaguirre approached the driver's side door she smelled the distinctive odor of marijuana emanating from the vehicle. The driver volunteered to the Officer, "Ma'am, I need to tell you something, I'm on probation for selling cocaine." In fact, not only was the driver on felony probation, but his license was suspended as well. While Officer Izaguirre was dealing with the driver, Officer Mallinger noticed that the rear passenger, a juvenile, appeared to be kicking something under his seat. That something turned out to be a loaded handgun. After getting everyone out of the car, the Officer's found another loaded firearm on the vehicle's floorboard. A search of the third suspect, also a juvenile, yielded a baggie of marijuana. Officers also discovered two video cameras in the vehicle. The cameras and tapes were seized pending analysis by Inspectors. All three suspects were booked on multiple felony charges.

Saturday, January 28, 2006, 7:25 PM. Robbery with a Gun. 5200 block of 3rd St. Case #: 060107602. Bayview Officers Fung and Hastings responded to a Bar on the 5200 block of 3rd St. upon receiving a call of a robbery at gunpoint. The Officers interviewed several victims and witnesses and were able to determine the following: Two men entered the Bar and confronted an unknown victim. One of the men produced a handgun and pointed it at the victim's head. This caused the Bar's patrons to scatter. The suspects ran to the rear of the bar, but prior to fleeing through the back door, robbed another patron of her purse and its contents. The initial victim was never located and never came forward to Police. The good news is that the Bar's surveillance camera captured the robbery. The suspects are outstanding and

Sunday, January 29, 2006, 4:30 AM. Attempted Murder with a Gun. 800 Block of Missouri. Case #:060108672. Bayview Officer Martinez responded with other Officers to an address on Missouri St. and discovered a violent crime scene. Officer Farrell was tending to a gunshot victim who had been banging on a neighbor's door for help. The victim was bleeding uncontrollably from a shot to the neck. The victim stated that he had been shot as he sat in a car across the street. He then became uncooperative and refused to provide any further details. The victim was transported to SFGH for treatment. Officers found a spent bullet casing at the crime scene, but could not locate any other witnesses.

Sunday, January 29, 2006, 10:31 PM. Street Robbery with a Gun. Palou Ave. at Newhall St. Case #: 060109238. Bayview Officer DeGuzman and Altorfer responded to the above intersection. Officer Alcaraz was already on the scene with the victim of a street robbery. The victim explained that while on foot near Oakdale and Newhall a man approached him and asked for a dollar. As the victim reached for his wallet the suspect pulled a handgun from his own front sweatshirt pocket. The suspect racked a round into the chamber of his gun and pointed it at the victim. Next, the suspect removed all of the victim's \$35.00 from the wallet and fled from the scene on foot. The suspect is described as a black man, 20 to 25 years of age standing 5'7" and 160 lbs. He is bald. He was last seen wearing a black hooded sweatshirt, dark colored pants, and dark shoes. The black semi-automatic gun had wooden grips.

Sunday, January 29, 2006, 7:36 PM. Battery of a Police Officer, Vehicle Tampering, Resisting Arrest, Delaying Arrest, Stay Away Order Violation, Possession of Narcotics Paraphernalia, Probation Violation, Disturbing the Peace, Felony Warrant Arrest. 26th St. at Blair. Case #: 060110859. Bayview Station had been receiving numerous complaints about auto break-ins in the area of Wisconsin and 26th St. As a result, Bayview Officer Paul, working as a solo unit, was patrolling the area specifically for the purpose of curbing this problem. As she drove east bound on 26th St. she noticed a car alarm activate on a nearby Toyota. When she shined her spotlight on the Toyota she noticed that it had a smashed window. Behind the Toyota she saw a man slowly sneaking away from both the Toyota and the light. Officer Paul attempted to head the man off with her car but eventually had to exit and pursue the man on foot. Before she began running she called for emergency help and broadcast her location to other Officers. The foot chase continued onto Blair Terrace where Officer Paul managed to catch the man and grab his shirt. The man spun around and

squared off with Officer Paul. The man punched the Officer multiple times and the two began to wrestle. The struggle became so violent that Officer Paul's gunbelt burst open and fell to the ground. Now Officer Paul was without any weapons and had no radio with which to update her location to responding Officers. Furthermore, she was in danger of having the suspect use her own gun against her. She managed to throw the much larger suspect to ground and the fight continued on the asphalt. Officer Paul managed to wrap her arm around the suspect's neck and attempted a "carotid restraint". The man gurgled but was able to slip out of the hold. Fearing that help would have no way of finding her, Officer Paul resorted to yelling to get anyone's attention. Fortunately, Bayview Housing Officer's Rockwell and Fowlie found Officer Paul and the suspect. The three Officers managed to take the man into custody. The man transported to Bayview station. It turns out he is on felony probation for auto theft. He also has a stay-away order from the 2000 block of 26th St, almost exactly where he broke into the Toyota. The man also had a "No-Bail" felony warrant for auto theft! He was booked for the above charges and warrants. Thanks to the fearless police work of Bayview Officer Paul, a serial auto burglar is once again behind bars!

Monday, January 30, 2006, 12:05 AM. Street Robbery with a Gun. 1700 Block of Oakdale Ave. Case #: 060111421. Bayview Officer Lane was working behind the counter at the Station when a man came in to report an unusual robbery. He had been updating his music recording system and was anxious to sell his old equipment. He and his girlfriend were driving around the neighborhood when they spotted some men they knew from a local recording studio. The men were in the company of several strangers. The victim and his girlfriend asked the men if they wanted to buy the old equipment. The men stated that they were interested so, the victim exited the car and removed the equipment for the men to inspect. Meanwhile the victim's girlfriend parked the car. As victim and the men negotiated, a suspect approached the victim, pulled out a silver handgun and threatened, "You better accept whatever they offer you!" The victim managed to snatch the gun and run to his car. Upon entering the car the victim realized the gun was a fake. He asked his girlfriend to make a U-turn so that he could negotiate the return of his studio equipment. The victim offered the fake gun in exchange for his equipment. One of the suspects began to pass the equipment through the window as the victim handed him the gun. However, a third suspect walked up and grabbed the equipment back from the victim and retreated. Standing next to this man was yet another suspect. He too was armed with a handgun. Fearing for his life (again?) the victim complied with the suspects' demand and relinquished control of the fake silver handgun. This time the victim drove with his girlfriend to Bayview Station. At the station Officer Berge broadcast a detailed description of the suspects. Officers quickly responded to the area and spotted several of the suspects. One managed to flee on foot. Another suspect, who was still holding the stolen Sony recorder was detained along with two others. The three men were eventually
