At 10:41 AM, SFPD officers were flagged down regarding a vehicle theft where his 4 month old daughter was in the backseat. Officers broadcast the make, model and color of the vehicle on a citywide broadcast.

Initially the victim was driving and stopped at a stop light in the area of Leavenworth and Turk when a person kicked his car. The victim pulled off to the side and got out of the vehicle to see if there were any damages. At that point, the suspect jumped into the vehicle and took off with the child inside.

At 10:51 AM diligent Sergeant Kin Yau Lee located the vehicle in front of 555 7th Street where the suspect was taken into custody and was charged with kidnapping, child endangerment, vehicle theft and probation violations.

The baby was still in the backseat unharmed and later reunited with the father.
