The Line-Up is a crime prevention tool that allows the public to get involved through social media. The goal is to get the public involved in solving cold case files by watching and identifying video surveillance of suspects committing crimes. Contact information will be listed below and the public can be anonymous if they choose. The San Francisco Police Department will be releasing one video per week of suspect(s) involved in a criminal act. Remember, you have the power to make a difference in our community. Be a crime fighter and help us in identifying these criminals.
