San Francisco Police Chief William Scott today announced the promotion of three command staff members to new leadership positions within the department:

- Ann Mannix promoted to Deputy Chief, Field Operations Bureau
- Daryl Fong promoted to Commander, Golden Gate Division
- Catherine McGuire promoted to Executive Director, Strategic Management Bureau

Chief Scott has directed the development of a Strategic Management Bureau to drive strategic planning for the department and oversee the implementation of best practices, Collaborative Reform Initiative recommendations and new technology. In addition, the General Crimes Unit, under a newly restructured Investigations Bureau, will further centralize criminal investigations to better leverage information for coordinated crime fighting strategies.

“SFPD’s top priority is public safety and we’ve made steady progress in driving down our City’s homicide and violent crime rates,” said Chief Scott. “These structural changes will allow us to further enhance our crime prevention and investigative capabilities, continue implementing Collaborative Reform Initiative recommendations and increase trust and collaboration with the communities we

serve.”
