In response to the ever-changing climate of the workforce throughout the nation, the San Francisco Police Department's Recruitment Unit has filmed a collection of videos for potential applicants to highlight the work of the men and women of SFPD. The first of these videos highlight SFPD and the various opportunities we have to offer. To view this video, please visit [SFPD's Highlight Video](#).

Our goal is to spark the interest of people who may not have considered a career in law enforcement and provide insight into the day-to-day experiences of our dedicated and talented officers. We hope these videos will encourage people to be the change they wish to see in our community.

For more information about career opportunities with the San Francisco Police Department, please visit [SFPD's Recruitment website](#). The SFPD's Recruitment website is focused on assisting candidates in navigating the application process featuring training, guidelines, and resources.
