On June 26, 2024, an autonomous vehicle company reported to SFPD that 20 of their vehicles had their tires slashed between June 24 and June 26. Through the course of the investigation, it was determined that the suspect and suspect vehicle were the same in all the cases. The suspect vehicle was determined to be a rental car that was past due.

On June 26, the suspect vehicle was located on the 300 block of Bryant Street and the suspect, later identified as 36-year-old Ronaile Burton, was inside the vehicle. Burton then slashed the tires on the suspect vehicle as well as the tires of the tow truck that had responded on behalf of the rental car company to seize the suspect vehicle. Burton then broke windows on both vehicles before vandalizing five occupied vehicles along the Embarcadero.

Officers were dispatched to the tire slashing on the 300 block of Bryant Street and while en route, were flagged down regarding the tire slashings along the Embarcadero. Responding officers from Southern Station arrested Burton for the tire slashing of seven vehicles that had just occurred, as well as three of the autonomous vehicle tire slashings that investigators had probable cause for at that

stage of the investigation.

On July 3, 2024, through the course of the investigation, investigators developed probable cause to arrest Burton for the additional 17 counts of vandalism (594(b)(1) PC). Burton was booked at San Francisco County Jail #1.
