San Francisco Police Department Chief William Scott and Special Agent in Charge for Homeland Security Investigations Ryan L. Spradlin today announced arrests in six homicides committed in San Francisco between 2006 and 2013.

San Francisco Police Department Homicide investigators worked in collaboration with Homeland Security Investigations investigators to develop leads and new evidence that lead to a federal indictment of suspects in these cases.

“The arrests in these criminal cases were made possible through the collaborative partnership between the police department and Homeland Security Investigations,” said Chief William Scott. “Through diligent investigative work and careful coordination, law enforcement agents this week were able to safely take several homicide suspects into custody without incident. We hope that these arrests will bring a measure of comfort and healing to the families of the victims, many of whom have waited years for justice.”

For further information regarding these cases, please contact the U.S. Attorney's Office for the Northern District of California at 415-436-7200 or visit www.usdoj.gov/usao/can.
