## Captain Jack Hart's Message

Thurs, April 5, 2018

March 21st, 2018 was an amazingly challenging day for our Station, the community, and everyone who was involved and/or affected by the tragic shooting incident at Geneva/London Streets. The question for all of us moving forward is: "Are we bigger than this moment in history, or is this moment in history bigger than us?" I believe that Ingleside Station members, the Crocker Amazon/Outer Mission/Excelsior neighborhoods, and all of its businesses, tourists, merchants, visitors, and residents are not only bigger than this moment but are more vibrant, more resilient, more safe, and more connected than ever before; we are truly better together than we are alone. I am grateful for our community's support and know that together, we will continue to heal and thrive physically, mentally, emotionally, and spiritually.

**Captain Jack Hart**  
Commanding Officer

## Featured Officers of the Month

# Ofc. Downs & Ofc. Burke

This month features two officers on the midnight shift who are going above and beyond to keep us safe in our homes when the sun goes down: Ofc. Kevin Burke and Ofc. Kevin Downs. Ofc. Kevin Downs' request to transfer from Taraval Station to Ingleside Station was granted by Headquarters and this successful midnight shift partnership was formed. How successful has this partnership been? In just three shifts together, they have already seized two illegally possessed firearms in two separate incidents. On March 27th, 2018 at 01:15AM, officers saw a vehicle with "paper" plates at the Chevron Gas Station at 5098 Mission Street. He saw that one occupant of the vehicle was using a squeegee to bang on the attendant's glass door, while the driver quickly concealed an item upon seeing the officers. These subjects, both convicted felons, were prohibited from possessing the Glock with a 30-round magazine that was subsequently discovered illegally possessed in the glove box. On March 29th, 2018, these same officers spotted a vehicle running a stop sign at 01:30AM at Mission and Randall Streets. Upon seeing narcotics paraphernalia in plain view, officers discovered narcotics and an illegally possessed Glock firearm.

While great officers on-duty, they are also great people off-duty. Please visit [www.ranchinvets.org](http://www.ranchinvets.org) to see the tremendous work by Ofc. Downs and his family. Hopefully you will also be inspired to donate to this worthwhile cause.

## Featured Citizen of the Month

# Jorge Parra

Jorge (pronounced as George) has a unique background in many industries but each stop had a similar outcome; he earned the trust and respect of his peers.

He moved to the city in September 2017 and although his stay here has been short he's already been able to institute positive changes in the Bernal Heights Community and build relationships with SFPD, SFMTA and DPW. He's looking to further his outreach capabilities to help a larger portion of the San Francisco community by joining SF SAFE. His evolutionary style mindset to never settle and to look for ways to improve is what motivates him in an ever changing society.

We are looking forward to working with him in his new role!

## Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

## Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or

#### **1:24am Mission/Cortland Possession of a Firearm**

Officers Burke and Downs were driving on Mission Street when they observed a White Mercedes fail to stop at the posted stop sign at Mission and Randall Street. The Mercedes was travelling in the opposite direction, so the officers turned their patrol vehicle around and conducted a traffic stop on the same vehicle. Officer Burke approached the vehicle and made contact with the driver. While speaking with the driver, Officer Burke saw in plain view a 5"x3" piece of aluminum foil with a burnt black residue lying on the floor next to the driver's foot. Officer Burke knows that drug users often use foil to smoke a variety of narcotics like cocaine, heroin, marijuana and methamphetamine. Based on his observation he asked the driver to step out of his vehicle. The driver complied, but as he was stepping out the seat belt got entangled around an object that was affixed to the driver's waist. Officer Burke lifted the driver's sweatshirt and saw that he was concealing a fixed blade knife with an overall length of seven inches. Officer Burke searched the driver for more weapons and found a firearm magazine in one of his pants pocket. The driver then informed the officers that there was in fact a firearm under the driver's seat. Officer Downs looked underneath the seat and located a loaded .380 caliber Glock firearm. Further search of the vehicle revealed a small quantity of Cocaine Base along with Methamphetamine as well. The suspect was arrested and booked for the narcotics and possession of a Firearm. ## NEWS RELEASE

April 3, 2018  
18-048

### **Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant**

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on April 4th, 5th, 12<sup>th</sup>, 17<sup>th</sup>, 24th and 26th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

## NEWS RELEASE

### **“Bart Simpson” Tagger Arrested by SFPD**

On March 27, 2018, at approximately 2:52 AM, Central District police officers were dispatched to the 600 block of Jackson Street regarding a vandalism call. Dispatch broadcast a description of male who was painting an image of Bart Simpson. The suspect was described as wearing a bright orange construction vest and a dark colored shirt.

The officers observed a male matching the description of the suspect near the corner of Grant Avenue and Jackson Street. Officers detained the male, later identified as Tyler Ross, a 27 year-old transient. Ross had paint on his hands and had an open grocery bag which contained several cans of spray paint. Ross also had in his possession, paint markers, white-out pens, etching pens and a Bart Simpson keychain.

One officer walked around the area of the 700 block of Jackson Street and observed a freshly spray painted image of Bart Simpson. The paint in the image matched the paint on Ross's hands and the spray paint cans found in his possession.

Based on evidence and witness statements obtained during the investigation, Ross was arrested and booked at San Francisco County Jail on felony and misdemeanor counts of vandalism at San Francisco county jail. Ross's booking photo accompanies this news release.

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD Tip Line at (415) 575-4444 or text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.
