San Francisco International Airport Bureau Overview

The Airport Bureau is one of five Bureaus in the San Francisco Police Department. The SFPD serves as the primary law enforcement agency at the San Francisco International Airport, however we partner with numerous agencies such as US Homeland Security, US Customs and Border Control, FBI and San Mateo Co. Sheriff's Department.

The San Francisco Police Department-Airport Bureau (SFPD-AB) consists of four separate divisions: Patrol, Traffic, Administration and Special Services. SFPD – AB provides police services to the airport, enforces the airport's Transportation Security Administration (TSA) security plan, and supports the individual security plans for the various airlines. The San Francisco Police Department's Airport Bureau also plays a crucial role in the airport's emergency response capabilities and is the lead law enforcement agency in the event of an critical incident at the Airport.

Communication

It is SFPD's number one goal to have honest, transparent, and empathetic dialogue between the SFPD and San Francisco Community that we serve.

- Create a diverse set of communication channels between the SFPD and community. Use a SFPD Newsletter to communicate upcoming events.
- Respond to request for service and information in a timely and transparent manner
- Solicit conversation, input, and collaboration from Airport Stakeholders
- Communicate, publicize, and educate the SFIA community about SFPD goals and policies via email, newsletters, pamphlets.

Problem-Solving

Increase safety and reduce crime through collaborative working partnerships between SFPD, community members, and organizations to identify and address local topics of concern.

Main Incidents of Focus

- Thefts (Luggage/Retail/Vehicle)
- Auto-Boosting
- Quality of life issues (People Experiencing Homelessness (PEH))
- Pedestrian Traffic (Jaywalking)
- Roadway Traffic Congestion
- Unpermitted Ground Transportation Providers

Problem Solving Airport Issues

- Officers can connect individuals to resources when call for service is outside their scope

SFPD-AB utilizes the help of Lifemoves, a community outreach program that provides prevention and supportive services to help families and individuals mitigate the trauma of experiencing homelessness and improve the chances of long-term stability.

- Collaboratively identify and develop responses to local issues and concerns with individuals, Airport Stakeholders and Airport tenants

SFPD-AB maintains a close working relationship with Airport management and meet with various groups in weekly meetings to address the security and safety needs of all our stakeholders. Feedback from these meetings and daily interaction with Airport Tenants have been included in the 2023 Policing Plan and help inform future planning and policy.

Community Events

- Food Donation Program – provides an avenue for Airport tenants to donate excess food to feed Bay Area residents who are food insecure

Community Events

- Philanthropy (Coastal Clean Up, Combined Charities)

Community Events

- Belle Air School Garden

Since November 2009, students from Belle Air Elementary School have been enjoying planting, growing and harvesting fruits and vegetables as part of both their school curriculum, as well as their after-school program on a school garden on the Airport's West of Bayshore property. Gardening tools and supplies were purchased by Airport employees and donated to the school garden project.

Community Events

- Fantasy Flights, United "North Pole" Flight

United Airlines hosts "Fantasy Flights" to the "North Pole" for children living with illnesses or in poorer communities. The flights transport children and their families on United Airlines aircraft to the "North Pole." Passengers then arrive at an airport gate or hangar where the airline has created a space filled with lights, Christmas trees, and other holiday decorations. Children have a chance to meet Santa Claus and local celebrities, as well as have the opportunity to receive gifts and play games.

Employees and retirees volunteer their time to coordinate and operate the events. United Airlines supplies the aircraft and event locations, while the food, decorations, costumes, and money for gifts come entirely from over 1,500 volunteers each year.

Community Events

- USO

The USO was created in 1941 and is chartered by Congress as a non-profit organization. The USO's mission is to provide morale, welfare and services to uniformed military personnel and their families. In 1966, SFO became the first airport in the nation to host a USO facility in its terminal complex. The USO center at SFO welcomes more than 25,000 military personnel annually.

SFPD-AB provides shower vouchers and refreshments for military personnel and their families to enjoy a "Home Away From Home".

Relationship-Building

Strong, trusting, and respectful relationships between the SFPD, stakeholders, employees, and all staff at the Airport Bureau

- Increase visible officer presence and proactive, positive engagement with individuals outside of calls for service
- Provide unbiased, dignified, and equal treatment and access to resources to all Passengers and Airport Tenants
- Maintain training for emergency preparedness with various agencies to ensure readiness for potential threats at the Airport

Review and improvement

- Use of data and metrics
- Meetings with Airport stakeholders
- Meetings with officers assigned to area or issue
- Meeting with Airport tenants
