Date: Tuesday, January 30, 2018 8:53:56 PM

Dear San Francisco Police Commissioners,

During the November 3 meeting, the Police Commission voted to approve the use of energy devices, aka tasers, as a use of force option. Some of our members at the Chinese American Democratic Club are interested in endorsing the use of tasers but want to be more informed on the issue. We would like to extend an invitation to the Police Commissioners to speak at our next meeting.

Details:

When: Thurs, February 8,
Time: 7:00 - 8:00pm
Where: Chinatown YMCA
855 Sacramento
S.F., CA 94108

The Chinese American Democratic Club (CADC) was formed in 1958. We are a volunteer organization that encourage the development of meaningful political awareness within the API community and foster active participation in the democratic process.

If there are any questions, please do not hesitate to ask.

Thank you.

Wilson Chu
President
